

**Melainah:**

So take a deep breath, everybody.....

And here we go.....

**Review Segment 1: Melainah – Cosmic Light Temple, Flower of Life, Magenta Color Code**

So we began our 2020 Light Conference and we went back to the Cosmic Light Temple.

And we'll do this today again, because this segment was created to assist us in raising and holding our Light frequencies so we would be prepared for the many upgrades, expansions, downloads and activations that we would receive during our 3-day Conference. And boy did we receive a lot!

So today we will activate many of the memory codes of what was received and we're going to bring them into present time. And that's what important about what we are doing today and what all of you did during the Refresh and Review was to activate these memory codes, set them in present time, so they are working through your Unified Field.

So, we have had a full year to fully integrate all that we received. But due to the increased ability of each of us to hold more Light frequencies now, we do have a unique opportunity to receive even more of the fullness of what was given by simply bringing it back into our awareness.

In 2020, the Archangelics and the many Beings of Light, if you will remember, joined all of your sacred spaces with ours at the Crystalline Angelic Lake Portal. So our Crucible was expanded at that time to assist us in maintaining our coherency stably as a Collective Community at that 5<sup>th</sup>, 6<sup>th</sup>, and 7<sup>th</sup> Dimensional frequencies.

And the Andromedans had enhanced the frequencies of the Etheric Crystal, and along with the Magenta Diamond, we were able to journey into never before experienced frequencies deep in the Quantum Field. We had welcomed all the beautiful Beings of Light that have been with us and made possible the amazing Journeys over the previous five, now six years, possible.

So check your Merkaba...

and if it's not functioning at 130% Light, let's bring it up now.....

So let's return to your individual Cosmic Temple

that was placed in a specific location that best supported you.....

You may notice that the frequencies have again expanded

to resonate with your own increased Light frequency that you hold today.

**Review Segment 1, cont'd – Cosmic Light Temple, Flower of Life, Magenta Coding**

[3:00] Bring your awareness to the Flower of Life....

For me, it's much easier to visualize and feel the amplification of the Flower of Life in this space.

We used our 4:8 breath count to increase our vibratory rate as we focused on our Pineal Gland and our Medulla Oblongata to stimulate & open them more fully. So we will not do all ten today, but let's just do three sets together to do just that – again stimulate your Pineal Gland and open that Medulla even further

So, through the nose, let's inhale: 1.. 2..3..4..Hold  
Exhale through the mouth: 1..2..3..4..5...6..7..8..  
Inhale 1..2..3..4..Hold  
Exhale 1..2..3..4..5..6..7..8..  
One more: Inhale 1..2..3..4..Hold  
Exhale 1..2..3..4..5..6..7..8..

Now be aware of yourself, as you're sitting in your Cosmic Light Temple, with that Flower of Life surrounding you.....  
Place your attention on that beautiful Magenta Lotus-shaped Crystalline structure that sits in the space between your Crown Chakra and your Soul Star.....

Today, in present time, remember receiving from the Central Sun the next iteration of the refined Magenta Color Code frequencies, as it passed into your 4<sup>th</sup> Triad.....  
The Magenta Color Code flows in a continual circular motion.  
So allow those Magenta Codes of Light to flow through the Lotus into your Crown Chakra.... filling your 3rd Triad....  
Focus these Light Codes in your Pineal and Medulla Oblongata.....  
Continue the flow into your 2<sup>nd</sup> Triad.....  
Next you bring the flow into your Sacred Heart Center, allowing the Magenta Color Coding to coil there.  
And now allow the flow to continue to fill the 1<sup>st</sup> Triad.....

With your intention, activate your Memory Codes as the brilliant Magenta Light is infusing your entire body system with more Light, including all of your functioning DNA Strands, Helixes, and Light Packets.....  
Now see your entire Unified Field filled with the Codes of this beautiful Color Code.....

Holding this frequency, you are now prepared for the next phase of our Journey.

**Melainah--Journey to Segment 2: AnRaTa and the 6<sup>th</sup> Dimensional Light Template**

[7:03] Again place your attention on your Light Body and Merkaba Light Vehicle which is spinning at 130%.....

The coordinates to Sirius B are programmed into your Merkaba.  
Give the command and allow your Merkaba to take you to Sirius B  
where you will be met by An Ra Ta.....

**Review Segment 2 through Joan – AnRaTa, Temple of Transparency, 6D Light Template**

Greetings, Beloveds, it is I, AnRaTa.  
I am honored to present this final iteration of the 6<sup>th</sup> Dimensional Light Template.

Please take your seat in the Crucible with the other members of this auspicious gathering. Begin to notice that the frequency of this Temple has been altered since the last time that you last visited. The Temple of Transparency has been changed from the 5<sup>th</sup>, 6<sup>th</sup>, 7<sup>th</sup> Dimensional frequencies into a magnificent Light. This Temple is now vibrating at the 8<sup>th</sup> and 9<sup>th</sup> Dimensional frequency range.....

Be aware of the magnificent Light coming through the luminous crystalline structure of this Temple, surrounding this entire membership. These Streaming Lights are coming from the Central Sun. There is a magnificent Golden Light that penetrates every part of the Temple. It reflects Christ Consciousness in its fuller emanation.

Receive these magnificent Golden Light Energies into your Body now.....  
This will add to the Light that you are carrying in this moment.....

The Vault that contained the 6<sup>th</sup> Dimensional Light Template has remained open since you were last here. The four Archangelics still stand guard at this Vault, even though the Temple doors are open.

Present yourself to these four Archangels:  
Archangel Gabriel, Archangel Michael, Archangel Raphael, and Archangel Uriel.  
Receive the LAST Iteration of the 6<sup>th</sup> Dimensional Light Template,  
which they are now presenting to you.....

Notice that there is a shift in that Light Complexity. It holds the refined Magnetics that have impacted your Unified Field as well as the field of the Earth.

**Review Segment 2 cont'd – AnRaTa, Temple of Transparency, 6D Light Template**

[10:12] This final Iteration is a very important part of this massive 6<sup>th</sup> Dimensional Light Template, which is now unified into the whole of its expression. This part that you have just retrieved is the most valuable part. It is a very extensive Energetic of EQUILIBRIUM.

It brings Equilibrium to the entire 6<sup>th</sup> Dimensional Light Template. It not only has Magnetic components, but is perfectly balanced with the Electrical components of the Electro-Magnetic Field that is within and around your body and around the Earth.  
This is the most important part of this 6<sup>th</sup> Dimensional Light Template.

The Equilibrium balances and enhances your mental-emotional body and begins to dissolve any rift that might remain there. That rift caused such a split in your mental-emotional body, even though you have worked on that for many years in this present time. It is of great value to have that Equilibrium and that rift that caused the split nullified.

The Equilibrium of the Magnetics and the Electrical charges brings into a complete unified manifestation of the Electrical Field in the full expression of the most important creative aspect of YOU as SoulSpirit in a physical body. The most creative part of you is that mental-emotional body of yours. Now you have an Equilibrium Spin in your Energetic Field. You have the stableness of the 5<sup>th</sup> Dimension, as well the 6<sup>th</sup> and 7<sup>th</sup> Dimension. There is total Equilibrium within your field and within the field of the Earth.

Under our Guidance and our direction, this has been the most illustrious Journey. And we have been honored to be of assistance to you and to participate with you, because we Love Planet Earth, as do you. We Love its Christed effect that it has on the entire sector of the Milky Way Galaxy, as well as this sector of the Cosmos.

You are becoming a Cosmic Being of Light, who just happens to have a form.

We would also like to talk to you about the effect that this has on the SoulSpirit\_of who you ARE.

The Soul brings many experiences of many lifetimes into various states of form. The untainted Spirit of you contains the pureness of the All That Is. This is YOU in the Collective Consciousness of the All That Is. Feel this upgrade in the 6<sup>th</sup> dimensional Light Template and the effect that it is having on your state of Consciousness.

Feel that now in this present moment...

**Review Segment 2 cont'd – AnRaTa, Temple of Transparency, 6D Light Template**

[14:01] You are now imprinted with a refined expression of the 6<sup>th</sup> Dimensional Light Template in your Light Body and in your Consciousness.

This is important for you to recognize in this moment, because it is upgrading the Consciousness of your physical body through your Light Body. The Light Body is now functioning as your Etheric Body and it transmits refined frequencies of Light into your physical body's Consciousness...

Remember this, as it will become more significant as you move into the next series of Teachings.

Not only is there a merging between the SoulSpirit, there is Equilibrium in your field as well as the field of all humans. There is a massive 6<sup>th</sup> Dimensional Field of Light where there is perfect communication. There is perfect communication between the Wisdom of your Spirit of you as an Iteration of the All That Is and a direct communication to the Wisdom of the Soul that communicates to the body Consciousness.

This increases your ability to function as a Master 10-fold, 10 times 10! over the next few years. And we are honored to assist you in that retrieval.

Now follow me as I lead you out of this Sacred Temple...

As you walk this beautiful Path of Light,  
it takes you to a precipice,  
where Lord Metatron greets you....

Take a deep breath.....  
Be very present in the moment,  
and conscious in your body.

Greet Lord Metatron.

**Review Segment 3 through Joan – Metatron leads us again into the Quantum Field**

[16:24] Greetings, It is I, Metatron.

I am with you, now, as the Overseer of the Creative Realms.

I am here to lead you in your SoulSpirit consciousness, in your Light Body, into an experience of the Quantum Field at this present moment.

Come with me now and be fully present in the Quantum Field.....

You have visited this Field many times since I led you there in 2020 of your time. You have had a year to experience this Field and draw from it. As you remember, this Field is a massive, creative Field of Light, Sound, and Color. It is a creative resource that has *no* limitations.

What have you experienced as you have navigated in a field of unlimited potential as you create from it? Take note on those experiences now..... Take a moment to reflect on what you have learned and energetically received..... Bring all of these concepts and Energetics into this very present moment. Notice how they impact your ability to create your life in more harmonious way. [Pause....]

Take a deep breath and FEEL the magnificent Power in this Field in this moment.....  
Feel the Light..... See the various emanation of color... Hear the sounds.....

It is within this Field that you hear sounds that you have not heard  
and you see colors that you have not seen.

You see geometries, magnificent geometries of Light  
that assist you to bring into form your manifestations, your creativeness.

This creativeness is manifested through the Guidance of your SoulSpirit  
that is constantly receiving from that 6<sup>th</sup> Dimensional Light Template  
as well as the 7<sup>th</sup> Dimensional Light Template.

Be very present in this moment...

Be conscious of your Light Body....

Receive all imprints.. all experiences continually in this moment... [Pause.....]

Take a deep breath.....

Now follow me and we will exit this beautiful Quantum Field...

I will lead you to the docking station, where you will enter your Merkaba Vehicle.....

From here, you will return to Earth

and to the present moment, into the room in which you began this Journey. [Pause.....]

Be present now in your body, totally conscious.....
