

Review Segments 5 and 6: Melainah – 5th Light Packet and 12D Elemental Imprints

So take a breath and relax, as we talk about the next activation.

With Metatron, we co-activated the 5th Light Packet.

It emanates from the Quantum Field and resides in our Soul Star.

It was also placed in our 8th Strand of DNA,
which allows Spirit to communicate with the Soul.

The Light Body will now become the Etheric body
and that will change the physical body.

Metatron told us that this process will take 3-5 years to integrate and to complete.

With this activation,
it sets in motion a part of our 12-Strand DNA complexity as a Christed human in form.

So, allow that 5th Light Packet to light up now.....
bringing it into the present moment..... [Pause]

And in our Conference, we were also gifted with the 12th Dimensional Holographic Etheric Imprints from each of the Great Beings that represent Air, Water, Fire, and Earth.....

We gifted those 12th Dimensional Imprints to all humans, to the Earth, to the Elements of Earth, and to all of the Inner Earth Communities, as well as to the Christed Matrix.

Again, activate these Memory Codes
and bring those Imprints back into present time.....

Take a breath.....

And let us now return to the Center of the Diamond Graphic
that is vibrating within the Quantum Field
where Yeshua is waiting.....

Review Segment 7 through Joan: Yeshua – Final Activation of the Light Body

[3:21] Greetings, Beloveds, It is I, Yeshua.

I am here now to initiate you in the final activation of your Light Body.
This activation is a Light activation of unlimited Source Light.
It will take some time to fully integrate this last stage of Light Body.....

Before this activation, I would like to tell you what happened 2000 years ago, when we were all together. You provided such a unique part of that Community that supported the Teachings that I was called forth to provide and seed in the physical, *dense* realm of that particular time sequence.

Together as a Community, we practiced Unity. We were very well aware of the Element of Love. And we could operate in our bodies to a certain degree in that Quantum Field. But it was limited by the bodies we occupied. The Earth's Electro-Magnetic Field and the Electro-Magnetic Fields of the body had such limitation because of the time locks of the 5th, 6th, and 7th Dimensional Light Templates that were not yet open. So, our full expression, that you are now becoming acquainted with, was unavailable at that time. But our job was to seed that awareness within the physical realm, even as dense as it was.

Many of us studied in the grand Mystery Schools, in various places of the world, that brought us together as a Community with intent and purpose. You were all there, every one of you, in some capacity. And we want you to know that. And now a grand crescendo is taking place of what we seeded together 2000 years ago.

I, as your Teacher at that time, myself and Ma'riam, took on two Iterations of our Light Body in the course of those many years we studied in the Mystery Schools and that we were together in a community, just as you have established in the present time, in your body. Be in the present moment and feel the difference in your body now.....

Now, I would like to talk to you about the most unpleasant part of our Journey in that time sequence. And that is the Crucifixion. In the Crucifixion, you helped me attain this final stage of Light Body, in a body, during those three days in the tomb, when many of you ministered to me in that cave. It was that Crucifixion that put such an imprint on that time sequence, because not only was I crucified, but as the Divine Image of the All That Is, in a male body, the Divine Masculine was also crucified in the physical world and was not usable. The Presence of the Magdalena, as well as Mother Mary and Anna, and the anguish they felt in this event also silenced the Divine Feminine. In this present moment, you have brought the silenced Divine Feminine and Divine Masculine and resurrected it, so that the Divine Feminine could come forth and blossom and begin to present a Field of Divinity that allowed the Divine Masculine to resurrect in its full Iteration.

Review Segment 7, cont'd: Yeshua – Final Activation of the Light Body

[7:57] This, Beloveds, is what you have done with us, not only seeded but brought into form in this time sequence these things. It is not all integrated yet. So, we are very dependent on you to integrate that over the next three to five years, fully, in your Consciousness and hold it in your body stably. You have been given these Teachings, in these last five years, many tools to accomplish this. And for this, we are eternally grateful. We are amazed at what you have accomplished with us in these last five years of your time sequence.

Now that I have given you some information that will help you greatly in the next months and few years of your time, I would like to activate that Light Iteration of your Light Body, this final Iteration, and bring it to its fullest function, so it is whole and complete.

We are already joined together in that Quantum Field that offers opportunities for access to many Dimensions. So, as you join with me, I gift and present to you what I have attained over the course of several years, 2000 years ago, after the Crucifixion.

I now present to you that Iteration of Light Body that I planted in the physical realm in the human form. I now present that to you and unify your Light Body once and for all.

RECEIVE IT NOW..... whole and complete.....

Feel it vibrating in your Sacred Heart.... throughout your chakra system....
the chakra system not only of your body, but also of your Light Body....
It is in your Unified Field.

It is affecting the Electro-Magnetic currents within and around your body,
bringing them fully into Equilibrium, Balance, and Unity.

And, because you hold it in your body, it affects the Electro-Magnetic Field of the Earth.
Because you hold it in your body, it affects the Electro-Magnetic Field of the Earth.

So, as you receive it, feel the difference in your Light Body....

Feel the difference in this present moment....

Feel the balance in your physical body, as well as your Light Body....

Notice the stable influence of a balanced Divine Feminine and Divine Masculine
unified in one expression of the All That Is.....

Review Segment 7, cont'd: Yeshua – Final Activation of the Light Body

The Light Body is calm... in full balance,
having all of the 12th Dimensional Imprints of the Elemental Community fully accessible,
having the magnificent Undifferentiated Light of Source
flowing continually in and through every part of your Light Body.

Feel the Energies that are now streaming
from the Quantum Field into your physical body through your Light Body.....

[Pause]

You now have the ability to model in your Etheric Body all of those frequencies
into the physicality, changing it at a cellular level.

With this activation of the Light Body, the Etheric Body is changed.
And it becomes what the Eastern Doctrines talks about as the Ka Body.
But it is, in fact, your Light Body.
Because you have received it in your physical body energetically,
it will be an easy transition for you over the next three to five years.

Have no expectations, Beloveds. But gradually you receive...

And know that soon your body will be fully anchored in the 5th Dimension
because the Light Body is taking the place of your Etheric Body.
You will be fully capable of operating in a 5th Dimensional physical body.
The Energetics will be entirely different.
The physical look of the body will be the same.

As you walk the Earth, from this day forward,
you transmit it continually, every interaction you have, every place you walk.
You need do nothing but BE the Christed Vehicle that you are in this very moment...

It was such an honor to be able to present this final Imprint of Light to you at this time.
Although time has no meaning in my Realm,
Humanity has waited a very long time.

And I am in great Gratitude to the All That Is
to be with you now, sharing this Initiation.

Review Segment 7, cont'd: Yeshua – Final Activation of the Light Body

I would like for you to sit with me now, together,
in the full Iteration of Light Body,
as I reflect it to you from the Quantum Fields.
Let us sit together in the Radiance of your Light Body.....

[Long Pause]

Take a deep breath.....
FEEL the Unity of us together,
Heart to Heart, Soul to Soul, Spirit to Spirit,
unified in your Light Body,
in the full and grand expression of your individual Christed Self.....

[Pause]

Have no expectations, Beloveds...
as I step back and allow you to integrate your own individual Light Body.
Be gentle with yourself
and allow this integration to proceed with ease... Equilibrium,
in the fullness that it is intended.

Whether it take three years, four years, five years is of no consequence.
Time as you know it does not exist in this Field.
So each of you, as you have received it, will assimilate it fully,
integrate it in your Energetic field, as it is intended.

No two are alike.
Never, ever compare yourself to another, Beloved,
for you are unique unto yourself,
as the SoulSpirit and as the All That Is intended.

In Great Love... I withdraw...
Blessings!
