

Through Joan: Greetings!

We ARE the Quadratic Configuration of Archangel Michael, Archangel Gabriel, Archangel Uriel, and Archangel Raphael.

We come in this Configuration, because it is a very auspicious time in your evolvment. And we bring with us not only massive Light Energetics in this Configuration, but it helps to facilitate states of Consciousness that you are required to hold during this Session and many other Sessions that will be coming in the next year of your time.

So, if you will take a deep breath now.....

And notice yourself in your Light Body..... in your Light Garment.....
sitting in your Merkaba Vehicle.....

You are radiating Light...

Your Garment is a brilliant White,
with Fire Letters emblazoned in Gold of YOD HEH VAV HEH

The frequency that is set in your Merkaba Vehicle is at 150% Light.....

And your Light Body is emanating this frequency.....

Take a deep breath.....

Your physical body is now beginning to follow suit.....

All parts of you are vibrating at 150% Light.....

Now, if you will follow us,

We will lead you in your Merkaba Vehicle to the Cosmic Realm
where your massive Light Crucible is resting.

All Members are present and waiting for your arrival.

As you exit your Light Vehicle,

we lead you with Intention and purpose into this magnificent Temple of Light.....

Archangel Gabriel is in the lead,

emanating the Christed Light of Prime Creator in its Purity.

Followed by Archangel Michael,

who protects the Purity of the Christed Imaging of the original Christed Matrix .

Bringing up the rear of this Grand Parade into this Temple are

Archangel Uriel and Archangel Raphael.

Uriel holds the perfected Wisdom of Creative Energy of the Source of All That Is.

And Raphael holds all of the Healing Light that is necessary

to remove any distortions in your Field, in your mental-emotional body,

so that you are a clear Vessel for this Session.

[5:05] This is important for you to recognize,
because all other Members of this Crucible do not operate
in the same matter formation that you do.

And you hold a very crucial part for all Realms, all Universes, all Galaxies
that have any semblance of matter or form.

YOU lead the way into pure Christ Consciousness,
because you have begun to integrate these Codes and Light Codes into your physicality.

So, as you file in and join all Members of this beautiful Crucible, Temple of Light,
take your seat and join with everyone present.....

We want you to notice something that you have not paid attention to previously.
And this is what is happening in your Unified Field.

You are emanating a massive Toroidal Field of Light.
That Field is around your physical body, but it is within your physical body,
and is manifested in the Center Channel.....
being transmitted from the Creative Realms of All That Is.....

And with the spinning of that massive Toroidal Field of Light,
you emanate more of your original state.
The Unified Field has taken on a Golden Hue that represents your Christed Imaging.
It is a beautiful Hue that is part of you.....

This Unified Field is very, very important,
both to you and to All that will come forth after you to follow the Path of Ascension.

All Members of this Crucible,
All of the Star Gates,
All of the Archangels,
All of the Ascended Masters
are in awe of what you have accomplished in just one short year of your time.
And they welcome you and are in deep respect for what you are in the process of creating.

Take a deep breath... and receive their Blessing and their Gratitude
for what you have brought forth in the Creative Realms
that has not been present for eons and eons, beyond any time or space.....

[10:33] Another deep breath..... And let us begin this Closing Session.

We will begin with Melainah and Joan by reviewing what has transpired in this last year.

You need to be aware of the magnificence of what you have accomplished,
so that you might continue in the coming time to finish this massive project
that you agreed to create,
when you came into this embodiment.....

So, let us begin this Session.....
