

Joan: Alright.

Melainah and I would like to discuss the significance of this auspicious day.

What a day to start this Light Conference! We could not have arranged it better!

Of course, we were guided by the Council of Twelve

that this *might* be a really good day to start the Conference – Can you imagine that?
So, we did.....

So, Melainah, do have a few things you would like to say?

Melainah: We just thought we'd kind of go through a couple of things that are significant about this date.

1...So, for our Community this 11-11 is the opening of a Master Portal.....

It is a doorway between worlds and dimensions,
bringing us into ever higher states of Cosmic Consciousness.

2...This year's opening is also a Portal of harmony and balance.

3...11, as you know, is the beginning of the Master Numbers.

4...11-11 also represents the enhancement of the spiraling double helix of our DNA.

5...And, were you aware that to date we have opened 11 Iterations of the Time Locks.

6...How many of you see the numbers 11-11 often? Each time we see these numbers, it stimulates our brain to unlock certain Memory Codes that are held in our subconscious.

7...And, it was 11 years ago that the Christed Matrix was returned to the Earth.

It's hard to believe that that was 11 years ago.

8...So, throughout this Conference we will be expanding that Matrix
with the highly refined frequencies we will be bringing in.

9...Together, we will make the next major contribution to our own Ascension Journey
and also to Humanity and the Earth.

10..For us, the incoming 11-11 Light Codes from this Master Portal
will greatly enhance and expand all that occurs during this Conference.

11..There are 65 of us in total in this group.....which again equals the master number of 11!

[2:49] **Joan:** Thank you, Melainah!

The only comment that I would like to make is –

I would like to call your attention to when the Christed Matrix
was first returned to the Earth on November 11, 2011. [11-11-11]

Many of you were at that Mastering Alchemy Conference on that day
when Yeshua, Sanat Kumara, and Lord Maitreya
began to gift and return to the Earth the Christed Matrix.

It was a very auspicious day!

And we all sat in perfect alignment with that return.
And, as I recall, and many of you may,
you could hear a pin drop in that room for almost 30 minutes.

We were such Beings in Gratitude for what had just occurred.

That Matrix was not activated at that time.
It was just placed in the Center of your Sacred Heart, each one of you,
and in the Sacred Heart of Mother Earth.

Over the years our group was very instrumental in bringing forth key activations of Light
that began very, very slowly to open that Matrix and make it somewhat functional.

So, I think that we all, in remembrance of that, can be in the Gratitude.

And, over these last 11 years, since that time,
Think of the difference that has made in each one of us,
in our evolvment and in our state of Consciousness
of what we have received and been gifted with energetically, conceptually, & spiritually.

It's amazing from where we sat at that first 11-11 to *this* auspicious day!

And I know you are with me in expressing our Gratitude to the Source of All That Is
for the opportunities that have been given to us in these 11 years.....

So, Melainah, anything else that we want to talk about?

[6:05=11] **Melainah:** We covered all the highlights of what this Portal means.

Now, there may be people who that believe that,
with all of the Planetary things that have occurred this week
and then with the opening of this Master Portal,
that there are many timelines converging.

So, we certainly are aware that there are big shifts going on.
And we believe that what we will accomplish in this Conference
will contribute to that even more.

So, prepare yourself for three wonderful days.....

Joan: Well, I think we're ready and really anticipating what's to come.
