

Melainah: Welcome back, Everyone.

Joan: Thank you, Melainah, for that lovely, awesome transmission!

There's not a whole lot we can say.....

We are in gratitude for each and every member of this Community and your participation, the full participation in this Conference.

It's *amazing* what we are able to do as a Collective Consciousness.

And I know you share my gratitude, Melainah's gratitude.

But it has been an amazing three days.

Thank you *all* for being with us on this Journey!

Melainah: Thank you, each and every one.

This would not have possible without you, each one of you contributing your beautiful, luminous Essence of your Soul-Spirit.

And, again, we look forward to seeing you again in three weeks.

And, may we all be blessed by all the many, many gifts that we have received on this Journey together over these three days.

Thank you!

Blessings!
