

Joan: Hello, Everyone, This is Joan.

John: And this is John. And there's Melainah.  
Good Afternoon, Everybody.  
Welcome to our pre-2022 Light Conference call.

We are all excited to be together to set the Energies for **our upcoming Conference**  
**that will begin Friday, November 11, 2022.**

As you know, the start of this Conference begins on a very auspicious date [11-11].

Now, to start off, we have a few announcements:

The first and most important is that please all put on a little note for yourself to check your time zone, because the time changes. Daylight savings time in some areas changes, some places it doesn't. But on November 6, it does change [in our Central Time Zone].

So, please be aware of that where you're living to make sure that you've got the right times.

**Let's tell you that each day of our Conference will begin at 10:00 am Central Time.**  
**We will break for lunch at approximately 12:00 noon Central Time.**  
**And Sessions will resume at 2:00 pm Central Time and close at approximately 4:00 pm.**

Each day's audio and video recordings will be posted on your private page under the title 2022 Light Conference on the following day for those who might not have been able to attend in person.

Please take time to review these extensive Sessions after our Conference.  
The Energies of these Conferences are very powerful.  
This may cause some of you to go unconscious during different activations,  
so reviews are a must.

Here is today's Itinerary:

Melainah will discuss Conference preparations.

She will then lead us in a Journey into our Crucible.  
Then Joan will present a review and updates of the Light Packets that we have activated.  
The Council of Twelve will be present to help us open the 6<sup>th</sup> Light Packet.  
Then, we will close our session.
