

Ascending Masters of Light Level 1 Session #15 10-09-2022
B: Entering the Light Temple with expanded Master Kuthumi Prayer

Through Melainah:

So, Everyone, take a few breaths.....

And in your Merkaba, journey to our beautiful Light Temple Vortex.....
and make your way to the steps.....

As you ascend each step and enter our Light Temple and take your seat,
reflect on all that you have received over these past years.....
Consider all the many Beings of Light that you have encountered during these years,
that you now have a direct relationship with.....
Be in appreciation.....

Today is the final Teaching Session of 2022.
Take a moment to remember where your Consciousness was,
when we began in January of this year.
Doesn't it feel like we have moved through numerous Light years since then?
Be pleased with yourself for the tremendous transformation
that has occurred for you individually, and for our entire Collective.

In today's Session, we are honored that the beautiful Being, Master Kuthumi, is returning.

He has requested that we open with his Prayer
and that you receive it and the upgraded Energetics
from your higher State of Consciousness and from your Higher Mind.

When this Prayer is presented in any type of public gathering,
due to strict trademarks, we cannot change the published version.
However, in your private space, you *can* alter it.
I am sure that many of us already do that, so that it *has* resonance for us.

So, let us prepare.
Be aware of yourself and our beautiful, magnificent Temple of Light.....

Take a breath.....
Place your attention in your Sacred Heart.....
And open to *your* I AM Presence.....

[Prayer begins on Page 2 at 3:43 in the recording.]

Ascending Masters of Light Level 1 Session #15 10-09-2022
Entering the Light Temple with expanded Master Kuthumi Prayer

Master Kuthumi has requested,
in order to set your State of Consciousness and the Energetic Pathways required
to receive what is and will be communicated to you today, that
we begin with this Energetic Statement, before we enter the Prayer:

I AM Light.

**I AM the Light of the Creator,
created in the Image and Similitude of my Creator.**

I AM a creator that creates form within form.

Master Kuthumi's Prayer: I AM Light

I AM Light, glowing Light,
Radiating Light, intensified Light.
God consumes my darkness,
Transmuting it into Light.

This day I AM a focus of the Central Sun.
Flowing through me is a crystal river,
A living fountain of Light
That can never be qualified
By human thought and feeling.

I AM an outpost of the Divine.
Such darkness as has used me is swallowed up
By the mighty river of Light which I AM.

I AM, I AM, I AM Light.
I live, I live, I live in Light.
I AM Light's fullest Dimension;
I AM Light's purest Intention.

I AM Light, Light, Light,
Flooding the world everywhere I move,
Blessing, strengthening, and conveying
The purpose of the Kingdom of Heaven.....

So, let us please welcome Master Kuthumi.....
