

Ascending Masters of Light Level 1 Session 2 01-23-2022
A: John Introduction

Hello, everyone, this is Joan.

This is John and welcome and hello to our 2nd Session of the Ascending Masters of the Light program. We are very excited to be part of this Community.

And we want to thank everybody specifically for using our new facebook private page as it was intended. The girls get all excited when they create something like this and then y'all use it right or appropriately or you have fun with it. You guys are doing a great job with it.

And it was so nice to see the important questions that were voiced and that some in the Community put forth answers. This is what this page is for.

It's a communication vehicle to be used in between Sessions to voice any questions. Post answers so that you can help members have a deeper understanding of this information that is presented by the Council of Twelve. It is a place to ask for help, as we practice all the current concepts and all our Energetics.

We have another full Session today that is full of Energetics as well as conceptually layered.

So, let's get started..... welcoming the Four Archangels that are helping us today. They will hold the highest form of the Quadratic Energetics. They will help us get into a receptive Consciousness.

So, without further ado, here's Miss Joan for our opening meditation.
