

Ascending Masters of Light   Level 1   Session 7   5-15-2022  
A Part 1: John Introduction

**Logistics Note:** Next session, #8, will be June 12, 2022, 1pm CDT.

**John:** Welcome! to our 7<sup>th</sup> Session of the Ascending Masters of Light. We are very pleased to have you here, today. And we're very excited about today.

Melainah is here. So, if you'll say "Hello", Melainah.....

**Melainah:** Hello – Melainah

**John:** There she is. Yay!

So we are very excited about our session today, because new upgrades will be put in play. These upgrades will certainly have an effect on us physically, mentally, and emotionally, as well as spiritually.

So, let's begin.

First, we will have a centering meditation, led by the Four Archangels. And, of course, those are Michael, Gabriel, Uriel, and Raphael – the gang.

Next, Joan and Melainah will discuss the many concepts and Energetics that were precisely put in play throughout our time together in the series of Seating of the Divine Image.

This will be followed by a Teaching by the Council of Twelve, through Joan.

At the conclusion of these Teachings, our session will be completed.

So, now – please welcome the Four Archangels to lead us in our centering meditation.
