

**Melainah – Entry into our Crucible:**

Take a couple of deep breaths.....

Center yourself.....

Set your Merkaba Frequency to 150% Light.....

And be aware of yourself as your brilliant Light Body.....

So, travel now into the Cosmic Realm to our Light Temple Vortex.....

And we will gather at the base of the steps.....

Now, as you ascend each step, be in Gratitude.....

First, Gratitude for yourself.....

Next step, for your Sacred Journey.....

Be in Gratitude for this Community.....

Be in Gratitude for all our Guides and Teachers of Light.....

And be in Gratitude for the opportunity we have been give to make a difference.....

Now, pass through the doors into the Light Temple.....

And, as you cross the Crystalline Bridge,  
smell the fragrance of flowers.....

Enter the Grand Gathering Chamber, and take your seat.....

And as you settle, find your still point.....

And let us welcome the League of Gabriel:

[Channeling on page 2]

**The League of Gabriel [through Joan]:**

Greetings! We are a Stream of Energy of the League of Gabriel.

And we are present here, today,  
to present to you another Iteration of the Holographic Energetic  
that our League and the League of Michael transmitted to you in the last session.

This one is in regards to a Stream of Energy of that Holographic Energetic  
which was quite massive  
and will continue to unfold throughout the rest of this year.

This particular Stream is related to Christ Consciousness  
and that Golden Energetic of the Christ,  
of which you ARE – You were created in that Image

And so, this Stream of Golden Light that we transmit to you at this moment  
will continue to help you upgrade as is necessary  
through this current Teachings and upgrades of the Triadic system.

So, here again, be very present in this moment.....  
knowing yourself in your Light Body.....  
navigating at 150% Light.

And recognize that Golden Glow that is within you.....  
that is being transmitted from the specific Stream of Energy  
related to the Christ Light.....

Take a deep breath.....  
Present and aware.....

And Welcome the Council of Twelve:
