

Ascending Masters of Light Level 2 Session 1 03-19-2023
A: Summary of Welcome and Schedule

John: Good Morning, Everybody!

Welcome to the Ascending Masters of Light -- Level 2, Session 1!
Joan, and Melainah, and I are very excited to have everybody together.

Today is a very special day with the Spring Equinox Energies.

Group 1 of our membership will be presenting their segment that was requested by our Council of Twelve at the close of Level 1.

Melainah:

In the email you received with the link to this zoom, there is a tentative schedule.
There may be little alterations to the schedule, so prepare to be flexible:

March 19 Group 1 Presentation

March 26 Group 2 Presentation

April 2 Teaching Class

April 9 (Easter) off

April 16 Teaching Class

April 23 off

April 30 Teaching Class

Joan:

We're going to be having a few back-to-back sessions, which is unlike anything that we've done in SDI or AML. They want these Energies to be run congruently. Then we will have a break of possibly two-three-four weeks, depending on what is being covered and the Energetics that are being transmitted that you have to have a space to integrate, because [just as we've said before] this year's sessions are going to be unlike anything we've ever experienced.
