

Ascending Masters of Light Level 2 Session 1 03-19-2023
E: Closing

Melainah: Thank you! That was absolutely incredible! Quite Amazing.
What a beautiful job. Kudos to every one of you.

Just a couple of things before we close –
[I have to get re-grounded now. I'm still out floating on the Quantum Field.....]

So, next week, when we come back for Part 2, which will be Group 2's Presentation,
that will be a continuation of our opening segment.
The seating arrangement will stay the same for next week.
The Energetics inside of our Cosmic Light Temple will remain the same.....

So, consider this week in-between as an intermission.
So, we'll be on intermission for a week.
When we come back next week, you will bring your Self back into the Temple,
and if you are a presenter, you will take your seats at a presenter's table,
the rest of us in the gallery will again sit in the gallery.

So, come prepared with your frequency set.
And, if any questions come up for you during our intermission, write them down.
You might find that your answers will be given in the second Presentation.
And, if not, then we will open it for questions when we come back on April 2.

And again, that was just amazing!

Joan: KUDOS! You all did a *magnificent* job!
You spent a lot of time and effort, all the graphics –
it was a wonderful, wonderful Presentation.....

So, I guess we're about ready to close and we look forward to our next meeting,
next week.

Melainah: And thank you all so much!

Joan: Blessings, Everyone!

John: Blessings!

Joan: Have a wonderful week in the Quantum Field!
