The background of the slide is an abstract, high-resolution image. It features a complex, organic pattern of bright blue and white lines and shapes against a darker blue background. The pattern resembles light reflecting off the surface of water, creating a shimmering, textured effect. The lines are irregular and interconnected, forming a web-like structure that fills the entire frame.

# *The Quantum Field*

What is this field ?

How does it apply ?

Why is it important to what we are doing ?
