

Joan: Well, hello everyone, this is Joan.

Welcome to our Session 10 of Ascending Masters of Light, Level 2.

We are so happy to be with you on this very auspicious day.

So, we have all gathered at the doors to our beautiful Cosmic Light Temple.

So, I'm going to turn this over to Melainah now, so we can file in together.

Melainah: Thank you, everyone. Hi everyone and welcome.

And this will be a very Energy-laden session today.

So, we hope you'll open and receive all the Gifts that are coming our way.

So, let us begin:

As we enter our Sacred Crystalline Light Temple, you will find

your individual seats have been placed once again in a circle on the floor area.

Locate your seat but please remain standing.....

Now entering our Temple together, please welcome the Sirian High Council of Elders

AND the Ancient Ones who comprise the Lyran Elder High Council.....

They will fill the first row of seating in the Gallery surrounding us.....

Entering next are the Pleiadian and Arcturian High Council of Elders

and the Light Beings of Andromeda.....

Please welcome them as they fill the second row of seating.....

Following and subsequently filling each row in turn, please welcome

all of the Archangelics, those from Earth

and those from each of the Star Systems we are associated with.....

and now all of the Ascended Masters.....

and the countless number of Beings of Light who comprise the Council of Twelve.....

and the 12th Dimensional Beings who oversee each of the Elemental Kingdoms.....

Also with us today are many esteemed Beings from numerous Dimensions and Realms

who have assisted and supported us on this Ascension Journey.....

Join me in transmitting our gratitude & respect to each and every Being of Light present.

We are indeed extremely blessed to be Members of such an auspicious Gathering.

And may we never take this gift of association for granted.....

So, take a breath.....

[5:13] And welcome to all of you, as we gather today
at the height of the influx of streaming Light Codes
entering through the 8-8 Sirian Lions' Gate Portal.....

These Sirian Plasmic Light Waves we are receiving in this year's Sacred Cycle from our
Central Spiritual Sun are the most powerful to date of all of the 8-8 openings.....
All of these Light Waves, Codes, Symbols and Geometries
are supercharged, high-frequency Ascension Energetics.
Many, many Ascended Masters, many that you know very well,
have entered this Realm through Sirius.....

It was transmitted in the last session that the Light Codes you are receiving
during *this* 8-8 Portal opening would be personal and specific to you.
They will enhance and further support your Prime Directive
and unique Stream of Consciousness, as you continue your Ascension Journey.
These massive Codes, along with the culmination of all of the other
Energetics, activations, upgrades and downloads we have received since March
is providing each of us the opportunity to be catapulted to a new Timeline.
As always, the choice is yours, if you are open and willing to receive.

So, throughout today's transmissions, keep taking deep and conscious breaths.....
This will assist the Light Frequencies and Codes flowing to you in this session to move
easily through your physical body, your Energy Centers, and your Unified Fields.
And we will remind you, also, to take breaths.....

The expansiveness and multi-Dimensionality of these incoming Light Waves
is allowing for the return of many Beings of Light,
from throughout the Cosmos and Galaxy.

This year, with the massiveness of the 8-8 Portal opening,
a new passageway has been opened from the Star Gate of Lyra to Sirius.
And that opening, passing through Sirius, is also providing a passageway
that was sealed long ago to re-open from Lyra to the Earth.
The Inner Earth communities are rejoicing, because *they* remember.....
This is a very big deal! And we can only begin to imagine its implications.

So, take another deep breath, and we will give you just a moment
for you to embrace what has just been transmitted to you.....
