

**Joan:** Take a deep breath and please welcome the Council of Twelve.....

Greetings, we ARE the Council of Twelve of which you ARE an integral part.

As you know, this is such an auspicious occasion.

There are many massive Energetics that are being transmitted to you at this very moment in Holographic Iterations, so that you might draw from them continually for the next several years that you are on this Planet Earth, this Beloved Christed Planet.

We must now discuss the upgrades in your DNA, Light Body, and State of Consciousness since the current opening of the 8-8 Sirian Stargate has begun.

Many upgrades have occurred in your entire Energetic and physical Being in the last two years of your time.

This energetic expansion will continue as you progress on your Ascension Journey.

Continual upgrades in the Light Packets enhance and change the function of the DNA Strands and bring them into a refined sequence.

The unequaled opening from the Cosmic Creative Realms provides concurrent energetic upgrades that transform all of the DNA Strands into transcendent Strands that continually influence all of the Light Packets, all of the Light Prisms, and your Light Body.

The continual activations and upgrades of the DNA Strands make it possible for the cellular and the molecular composition of the physical body to be altered.

A stable 5<sup>th</sup> Dimensional physical vehicle is necessary to continue the evolutionary Ascension Path.

This is one of the roles of your DNA.

Each of the 12 DNA Strands represents one of the twelve aspects of multi-Dimensional Consciousness.

When you first incarnated into a 3<sup>rd</sup> dimensional physical body, the 12 DNA aspects that exemplify a multi-Dimensional Consciousness were unavailable to you.

When you evolved into the 4<sup>th</sup> dimensional state of awareness, you realized that you had a choice in what you believed and how you chose to experience your life.

This understanding is when you began to have access to some of the aspects of your 12 DNA Strands.

When you entered the 4<sup>th</sup> dimension, you began to have access to many of the 12 aspects.

[4:39] The first three DNA Strand aspects represent and govern the physical body; another three are concerned with the emotional body, and another three with the mental body.

Now, remember, the mental-emotional body was fractured and split into two bodies at the fall of consciousness, so that you might experience separation and fear.

The remaining three DNA aspects represent your Spiritual Body.

All of these aspects are represented in your bodies as new neural pathways to the brain.

When all neural pathways work freely with your Chakra system,

they will provide the conduit to the Higher Realms,

resulting in your experience of multi-Dimensional states of Consciousness.

This state of Consciousness requires Light Packets and Light Templates.

You must unlock the Time Locks

that hold the 5<sup>th</sup>, 6<sup>th</sup>, and 7<sup>th</sup> Dimensional Light Templates and activate them – which you have done!

The Energy Centers within the Chakra system must be stimulated so that the physical body begins to have a 5<sup>th</sup> Dimensional state of Consciousness – and *this* you have done!

The Energetics that were present in the 5<sup>th</sup> Strand of DNA contained a precise version of what you needed for the full activation of the 5<sup>th</sup> Dimensional Light Body.

This Iteration of Light Body is currently altered with the opening of this 8-8 Stargate and the addition of another Iteration of the Sirian Light Template.

This Light Template was gifted to you and activated in the 2022 Light Conference.

And you are now receiving another Iteration of that Template.....

Your Light Body is now altered and upgraded to a 7<sup>th</sup> Dimensional state of Light and Consciousness.

The 8<sup>th</sup> Dimensional Light and Light Template continually influence it.

Take a deep Breath.....

[8:13] Notice the difference in your Light Body  
and the brilliant Light that emanates from it.....

Observe how the 8<sup>th</sup> Dimensional Light and Light Template  
surrounds your 7<sup>th</sup> Dimensional Light Body.

The Dimensional state of Consciousness that is present within your Light Body  
has expanded exponentially and continually reflects states of Love and Unity.

Take another Deep Breath.....

Notice what is occurring in the Sacred Heart Center of your Light Body.

See how the Sacred Heart Center of the 7<sup>th</sup> Dimensional Sacred Heart  
continually draws from the Clear Crystalline Heart  
of the 8<sup>th</sup> Dimensional Light and Light Template.....

Now that your Lightbody is a 7<sup>th</sup> Dimensional Body of Light,  
watch how your Light Body begins to replicate and match  
the Clear Crystalline Heart of the 8<sup>th</sup> Dimensional Light and Light Template that is  
in the Unified Field that surrounds your Light Body as well as your physical body

[Short Pause]

What a beautiful vision to behold!

Deep Breath..... Present... and Aware.....

Now we want to tell you how the segments of the 12 aspects of your DNA are upgraded.

Previously, those 12 aspects represented multi-Dimensional Consciousness  
of the physical body, emotional body, mental body, and Spiritual Body.

Now that you have received the massive upgrades of Light Energies,  
the current 12 DNA aspects reflect quite differently.

The 1<sup>st</sup> three Strands reflect the 5<sup>th</sup> Dimensional physical Body,  
and the next three strands represent the unified mental-emotional Body  
that functions in the 5<sup>th</sup>, 6<sup>th</sup>, and 7<sup>th</sup> Dimensional states of Consciousness.  
The final six DNA strands are Transcendent Strands  
that continually support your Ascension process as you take on more Light.

This segment has not been lengthy.

However, keep in mind that it is a massive Holographic Transmission  
that you will be continually drawing from for the next three years.
