

**Melainah:**

Everyone take a breath and be aware of yourself  
sitting within our magnificent Cosmic Light Temple,  
surrounded by all of these many, many Beings of Light.....

AnRaTa stands and makes his way to the Sirian High Council  
and escorts the eldest member to the floor of our Temple.

Archangel Michael makes his way to Lyran Elders  
and escorts their most senior member to the floor.....

These two, esteemed and much loved and revered in their respective worlds,  
stand together before you.....

Take a deep breath.....

for this may be the one of the most sacred and auspicious conscious moments  
you will experience in this lifetime.....

The Sirian Elder begins to transmit a Sacred Sirian Blessing to you  
in a mystical Language of Light and Love  
to be received in your Sacred Crystalline Heart.....

And breathe.....

Now the Elder from Lyra begins to sing a hauntingly beautiful, ancient Chant & Blessing  
in a Language filled with Sound, Color, Light, and Symbols.  
Receive it now in your Crystalline Sacred Heart.....

As the Light Codes from both of these Sacred Blessings penetrate the Essence of you,  
may they awaken what lies dormant within your Memory Codes and DNA.....

From the Center of the Temple,  
each of these beautiful Elders of Light will make their way around the circle.....  
with one moving to the right and the other to the left.  
Each one will place their hand on your forehead,  
extending their Blessing into your now brilliant and shimmering Symbol of Infinity.....

They now return to the Center.....

Continue to breathe.....

[6:56] These cherished Elders have requested to sit with you in this Sacred Space for a little while.....

AnRaTa and Archangel Michael bring each a seat and place them  
within each circle of the Infinity configuration  
made by the bodies of the Lions and the Lionesses.....

With gratitude, humility and Love for the tremendous Gifts  
we have been given on this day,  
we will leave you sitting in the Presence of these Ancient Ones.....

So, Blessings, everyone!  
Our session is complete.

**Joan:** We will leave you now in this rarefied Light  
to experience more of who you ARE.....

Blessings!
