

Joan: Well, hello, Everyone. Welcome to Session 11.

Melainah: Hello, Everyone. Happy you're all here.

So, everyone take a breath.....

And let's be aware of ourselves sitting in this beautiful, miraculous Light Temple.....

And be aware of yourself sitting in our section.....

surrounded by our physical and nonphysical Community.....

Set your frequencies at at least 130%.....

And let's set our Intentions for today's session:

So, first, breathe in Light..... and exhale Love.....

Breathe in Love..... and exhale support.....

Breathe in Love..... and exhale appreciation.....

Let's extend that Love and support to each and every one of our physical members.....

Take one more breath, and breathe in Love, support, and appreciation for *yourself*.....

And with that, here's Joan.....

Joan: I would like to start us off with Master Kuthumi's Prayer today.

I think it's very apropos.

So, take a deep breath and let us begin: I AM LIGHT

I AM Light

Glowing Light, Radiating Light, Intensified Light.

God consumes my darkness, transmuting it into Light.

This day I Am a focus of the Central Sun.

Flowing through me is a Crystal River,

A living Fountain of Light that can never be qualified by human thought or feeling.

I Am an outpost of the divine.

Such darkness as has used me is swallowed up

by the mighty River of Light which I Am.

I AM, I AM, I AM Light.

I Live, I Live, I Live in Light.

I Am Light's fullest Dimension; I Am Light's purest Intention.

I AM Light, Light, Light,

flooding the World everywhere I move,

Blessing, strengthening, and conveying the Purpose of the Kingdom of Heaven.

I Am a Creator of Light, created in the Image and Similitude of my Source.

I AM a Creator of Light; I AM a Creator of form within form.

[4:48] Joan continues, sharing John's transition with the Group:

I know that you all are feeling a void here, because John has left the physical realm and transcended into a different state of Being, which I am very grateful for. The suffering was great this past year. And a few weeks before he made his transition, we discussed how the body was breaking down. And he said he was well aware of it. But he was still determined [chuckle] that he would not leave until this series was complete. But that was not to be.

So, about a week before he made his transition, the Council asked me to deliver a message to him. It was more like ten days. I don't know. I've lost track of time, as you can well imagine. And the message was, there was a Portal open that, if he decided to make his transition somewhere around the 8-8 Portal, that the Angels, the Archangels, Michael, Gabriel, Uriel, Raphael would usher him Home in one fell swoop.

And when I delivered that message he said to me [chuckle] in style, "Well, that's just a committee." And I looked at him and I said, "Do you want to talk about that?" And he said, "No". He said, "I really thought I could beat this, but obviously not". And that's all he said.

And within a few days it was very obvious that I could not handle this by myself, so I engaged hospice. And things just spiraled after that. Actually, within a week he was gone.

And the last four days he was not in his body. Even the nurse that came every day said, "He's not here. The body just hasn't died." And I knew that. He was totally noncommunicative.

And so, it was a Blessing. He will be missed. There's so much... that we were a part of each other. So, it's going to take time, time for all of us, to accommodate to his Presence at a different level. And I *know* that will come in time.

So, if there's anything anybody... Melainah I know you want to add your piece here. And I don't know if anybody wants to make any comments or we should just move on.

I don't want this in any way to overshadow what will be discussed today or what has to come in in the next months of our time. It's soooo important.

So, Melainah, I'm just going to kind of turn it over to you.

[8:56] Melainah's comments on John's passing and his Gift to us:

I think most of us have experienced in our life that we're aware when we suffer great loss somewhere in that loss there is a gift to be found. And John definitely gave us a gift.

So, a couple of weeks before he left, the Council showed me that our that John's 8th Dimensional Field of Light was descending for him. And it stayed above him during those last couple weeks. And, as his transition got closer, it dropped. It never came over him; it stayed above him.

And then when he did transition, that 8th Dimensional Field of Light became a Portal. It's an Ascension Portal.

So John's gift to us is that he opened a Pathway for all of us to follow when it is our turn. And, for that we will be forever grateful.

So, I woke up really early this morning. I'm here in Arkansas with Joan. And I woke up really early this morning and I was thinking about what I would want to say today.

And about 6:00 this morning, John popped in and says, "Hey!" And I said, "Hey!" And he said, "Please let the Group know my physical presence is gone, but I am not". And then he handed... And he had in his hand this beautiful Green Glowing Light. Well, John's primary Color is Green. And then he showed me this beautiful Green Light rising up to the ceiling of our Light Temple. And then when it was in place, it became this brilliant, beautiful Emerald kind-of Green Starburst. And it's shimmering. And it's interwoven with Gold. He says, "This is my new Place in our Temple". He says, "And anytime the Group gathers, I will be here and I will remain until we complete this series. So there we go....
So, Thank You, John!

[11:45] Jana: Thank you, Melainah.

On the Saturday evening after John's passing, I was in the sleep state, but I was awake in the sleep state – very different from a lucid dream. But I was in the Crucible and the Archangels brought John, escorted him in a better word, into the Crucible. And he was delighted. He was just delighted to be in our Crucible. And it just sort of came to me that it wasn't a regular occurrence that would happen. But yet, in his Heart, he wanted that connection. And so, I don't really have more to share of that. It was really more of a feeling state. But, it was lovely that he was happy that he was in a familiar environment where he could connect with us. So, what you're saying makes total sense to me, Melainah.

Melainah: Yes, it's quite special. Thank you.

[13:13] **Colleen:** Thank you, Melainah.

I would also like to add that I feel John's Presence here with us today. He's always with us, every time we get together, and whenever our sessions are. Whatever we do, he's always going to be there. And I'm just so grateful that you shared with us. When you said that beautiful Green Light was his primary Color and that it went to the top of the Temple, it just brought tears to my eyes, because it's so fitting for John to be there and watching over all of us every time we're in the Temple. So, thank you for that!

Melainah: He also said that he knew he had things he had to take care of, his Spirit-his Soul had to take care of on the other side. So, he wouldn't necessarily be communicating right away. But that time would come. But, in the meantime, his Green Essence is with us whenever we're in this Temple.

Colleen: Yes, that's beautiful. Thank you!

Melainah: And he was completely, John. And he was [laughter]... and he wanted me to tell Joan, which I did this morning:

"Tell Joan this is great!" He said, "I don't know why I resisted so long". And so, he's in a really good place.

Jana: Yeah, I do feel that he's the trailblazer for all of us!

Melainah: Yes. Well that opening through that was another Gift of that 8th Dimensional personal Light Field that we did have no idea that that would be our Ascension Portal. And he opened that Pathway for us to follow. So, what a gift!
