

Council of Twelve – through Joan: We ARE the Council of Twelve.

This is an essential energetic foundational Session that we have all gathered together to provide to you at this time.

We want you to be aware of the fact that by your diligence and your practice of using the 7th Dimensional Light Prism in the 2nd Triad during your three months of silence, that you have achieved and entered the beginning initial levels of a 5th Dimensional physical body complexity.

You will now set this foundational Energetic Template as you acknowledge that this group together has entered the 5th Dimension Paradigm and are no longer bound by 3rd or 4th dimensions.

Take a breath... *Receive* what we have just communicated to you. [Pause]

The practice of using the 7th Dimensional Light Prism
changed the molecular structure of the cells of the physical body.
It also changed the molecular plasmic composition of your physical body.....
This has been achieved at a very basic, initial level.

It is *imperative* for each one of you to acknowledge & recognize these energetic changes because so many things began to change with the activations that took place in the last Light Conference.

One of these changes was the activation of the 7th Dimensional Light Prism that greatly affected the function of the Seed Crystals.
This activation also affected of the Lobes of the brain,
and this was so that the brain, your physical brain,
could process the complexities of Christed Thought of Prime Creator effectively.

This will grow exponentially during the course of this year as many transmissions are brought forward by the entire Council, including each one of *you*.

The recognition of yourselves as part of the Council of Twelve provides a valuable engagement in that Consciousness.
You, as individual representatives of a physical human, actually imprint the Consciousness of all humans now, and in the future, who are ready to see and acknowledge that imprint within themselves, as they come into a physical lifetime on Earth.

Council of Twelve, cont'd – through Joan:

It is important that this energetic communication is delivered to you
as you enter into the Light Temple of our Quantum Crucible.

Your Consciousness has changed;
your body has changed and carries a different energetic and dimensional frequency.

You are now able to receive the communications from within this Holy Chamber,
as well as from the entire Council, because of these changes that you have made.
And you receive these various communications in a different State of Being.

Our Light Temple is now energetically expanding and expressing its fuller composition...

Prepare to enter the magnificent creative Chamber of our Light Temple.
