

**Through Melainah:**

**So, let's talk about you from another perspective:**

Since we began as a Collective eight years ago,

we have been on a fast-paced *vertical* ascent.

To an extent, we have been focused only on a narrow band of who we ARE.

We are now being asked to *broaden* our awareness and perception.

In the Conference, we talked about our Unified Field moving in a Toroidal form.

A moment from our Zoom Call in our Quantum Crucible Temple of Light

So, let's look at this Torus [above] one more time.

We now know that we are in the Center of this 360-degree Field. Right?

And this Field is always shifting, always moving.

Starting in, then..., shifting, and spinning.

But for the most part, we have been focused on what is directly in front of us, in a narrow field.

We are now asked to begin to place our awareness on what exists in the depth of this Toroidal Field.

What exists that has been sitting in our unawareness?

So, we are now being asked to stretch our awareness to fully embrace the fullness of this 360-degree Unified Field of Light.

We have awareness of ourselves in the 5<sup>th</sup>, 6<sup>th</sup>, & 7<sup>th</sup> Dimensional frequencies.

With our now having moved into that 5<sup>th</sup> Dimensional State of Consciousness, we will now have access to deeper levels of that 5<sup>th</sup>, 6<sup>th</sup>, and 7<sup>th</sup> Dimension.

[2:24] So, we go back to this Torus, and we look at the Colors.

We all know what our primary Color and Sound Codes are.  
And we're influenced by those Codes, whether we are conscious of it or not.

So, let's say your primary Color Code is in this Orange to Yellow range.  
So that's the primary and the primary influence on you  
and how you view what goes on around you.  
So, let's say you have a situation that you have not been able to change or solve  
in some way.  
But you get so focused in looking at it through the perspective of what  
you have always known.

So, what happens now with your awareness and you have availability of everything  
that exists in this 360 degrees. Hmmmm.....

What if now I changed this and I'm going to look at this situation  
through this Blue and Green Color Codes and frequencies?  
Do you think that might give you another perspective?

So, these Colors and Sound Codes, they affect *all* of our Unified Field, the entirety of it.  
These Codes are, of course, non-physical; they're inaudible;  
they are Etheric Codes that our rational mind cannot process.

So, all of the things we have been discussing, and so much more,  
are occurring at all times in our Fields.  
This is a *massive, massive* amount of frequencies and movement  
that is *always* influencing and affecting us.

So, with your awareness on these many facets that are you, the question then becomes:  
In any given moment, with all of  
these massive frequencies, Energetics, and Streams of Consciousness available,  
where are you presenting yourself from?

So, we will repeat and revisit many of these things we have just covered often,  
until they become firmly seated in our conscious awareness...

So, take a breath..... There is more.....
