

Ascending Masters of Light-Level 2 Session 5: 3<sup>rd</sup>Eye, 2<sup>nd</sup> Triad, 8D&8-8, Epi-Kinetic&Eka Body  
04-23-2023 A: Intro and Entry into our Temple

**John:** Welcome to our 5<sup>th</sup> Session of the Ascending Masters of Light, Level 2, Session 5,  
April 23, 2023.

We are happy to see everyone today, of course !!!  
And we will continue to set the Energetic Template for what will be transmitted  
for the rest of the year.

There will be no session next Sunday.  
And we will meet again on Sunday, May 7, for an open discussion and Q&A.

Please review our last two Sessions, so you are prepared to discuss and ask questions.

Now, let's get started.  
We have the wonderful pleasure today of having Beth Goodson do our opening meditation  
which she has volunteered to do. And we appreciate that.

**Melainah:** So, everyone take a breath...  
Be aware of your perspective now, within the new seating configuration...  
Take another centering breath...  
Find your harmonic resonance with this beautiful, magnificent, Crystalline Cosmic Temple  
of pure Radiant Light...  
Prepare to welcome and receive the Frequencies and Light Signatures  
of all the non-physical Beings of Light who are the Council of Twelve,  
as they enter in the same manner as they did last week  
and take their places beside you in our Chamber...

And let us all welcome Beth Goodson, as she delivers our opening meditation.
