

**Joan – Part 1: Information on the first five Light Packets**

Everyone take a deep breath..... and be centered and aware.....  
And let us continue.....

Well, as you know, we asked you to review the Teachings around the summary  
of the Light Packets 1 through 5.

In this Session, we are going to bring them into present time.

We've made tremendous upgrades in our energetic system  
as well as seating the stability in our 5<sup>th</sup> Dimension human physical bodies.

We have achieved these upgrades in four short months  
since we began Ascending Masters Level 2 series.

It emphasizes our awareness of how big  
each and every element goes into these transmissions.

There's no such thing as an insignificant piece of information or Energetic activation.

It is important now that we bring to the forefront of our memory  
the first five Light Packets that we have activated  
since the early Sessions of Ascending Masters.

We must now bring them into the present time  
so that they energetically function in coherence  
where we are consciously, physically, and energetically aware.

I am only going to present a brief synopsis of each of these Light Packets.

And, of course, you can find in-depth information  
in the archives of the Ascending Masters' website,  
under Seating of the Divine and also Ascending Masters.

The 1<sup>st</sup> Light Packet was placed in the 4<sup>th</sup> Strand of DNA and also in the Heart Chakra.

This activation created a base for the Heart Chakra to be open  
and for each of us to have an appreciation and love  
for the beautiful vehicle of the human body that Creator created in us.

This 1<sup>st</sup> Light Packet contains the 5<sup>th</sup> Dimensional Light Template  
and it uplifts the body into 5<sup>th</sup> Dimension.

[2:52] **Joan – Part 1: Information on the first five Light Packets, cont'd**

The 2<sup>nd</sup> Light Packet was placed in the 5<sup>th</sup> Strand of DNA,  
the 8<sup>th</sup> Chakra of the Higher Mind and the Sacred Heart Chakra.  
From your consciousness viewpoint now, you can see the value of these placements.

The 2<sup>nd</sup> Light Packet is where your Unity Consciousness begins  
and forms a base for your broader perspective of Unity Consciousness.

The 3<sup>rd</sup> Light Packet was placed in the 6<sup>th</sup> Strand of DNA, in the 3<sup>rd</sup> and 5<sup>th</sup> Chakras,  
merging personal will with Divine Will.

This directly affects your conscious creative Intention  
as you use your mental-emotional body to manifest your creations.

The 4<sup>th</sup> Light Packet was placed in the 7<sup>th</sup> Strand of DNA  
and the 8<sup>th</sup> Chakra -- the Higher Mind in the 3<sup>rd</sup> Triad.

This 4<sup>th</sup> Light Packet begins to allow us to see ourselves as the Wise Being that benefits  
from the Wisdom acquired from eons of experiences in various Realms of Creation.  
It allows us to experience the Wisdom that comes from our Spirit  
and never leaves the Source Energy part of the Collective Consciousness of Source.

The 5<sup>th</sup> Light Packet was placed in the 8<sup>th</sup> and 9<sup>th</sup> DNA Strands and the Soul Star.

The 5th Light Packet is a massive Light Packet,  
unlike any other Iterations we have co-activated previously.

The 5th Light Packet as well as the 6<sup>th</sup> and 7<sup>th</sup> Dimensional Light Templates  
emanate from the Quantum Field.

And they affect the DNA Strands and the Chakras.

This 5th Light Packet affects the human Consciousness as well as the Soul-Spirit.

The 5th Light Packet resides in the Soul Star,  
where it continually informs the body's Chakra system.

It affects the upper Chakras that relate to the Light Body.

**Joan – Part 2: The Council of Twelve brings Light Packets 1-5 into the Present**

[5:35] So take a deep breath.....

and if you will get centered in your Sacred Heart again,  
Take a deep breath and welcome the Council of Twelve:

We are the Council of Twelve, of which you are an integral part.

So we join you now to support you energetically

as you bring all the concepts and Energetics of the Light Packets 1 through 5  
that had been previously activated.

We join you now as a unit of Power and Light that is not limited by either time or space.

We have gathered within the Cosmic Temple to support you

as this Ascension Path proceeds according to the Prime Directive that we were given.

With your intention, bring forth every aspect of these auspicious Light Packets  
that were given to you to use in the creative process of  
bringing the human species back to their original state as unlimited Creators of Light.

As the profound human stream of Collective Consciousness,

you will now step into the Center of our Cosmic Temple of Light.....

With your intention firmly set within your conscious mind,

bring the five Light Packets into the present moment.....

Your entire Unified Field radiates all the Energetic upgrades you have made,

and they are now intertwined within your physical body,

your mental-emotional body, and your Soul-Spirit at this very moment.....

Anchor these upgrades in your Earth Star and your Soul Star.....

This process is now a permanent continuing energetic upgrading system

as we move further on in this Ascension Journey.

It can be activated at any time simply by your Intention and your attention.....

So it is.

It is done.
