

Joan: Well hello, Everyone,
Welcome to session 12 of our Ascending Masters.

I have one announcement:

Our next session will be October 29.

And then the next one after that is tentatively scheduled for November 12.

Melainah Opening Meditation in our Temple:

If Everyone will take a deep breath.....

As we consciously gather as a Collective Council

in our beautiful and magnificent Temple of pure Radiating Light,

Let's together take a deep, deep centering breath.....

Let us take a moment and acknowledge all Members, physical and non-physical,
who are present with us today.....

Place your attention on the ceiling of our Temple,

where the shimmering Green-Gold Starburst of Light, representing John's Presence,
begins to gently swirl and expand.

Hello, John!

Now place your awareness on your Crystalline Sacred Heart Center.

And with your attention placed on it,

watch as it expands and the Light frequencies begin to swirl

in unison with the natural gentle spin of this amazing Light Vortex.....

The creation and gift of this magical, mystical Light Temple was unprecedented.

Its full functions are still unknown to us.

It does hold all the multi-Dimensional Frequencies, Codes of Light,

Geometries and Teachings we have received at their highest expressions.

And with the frequencies of Light that the Light Temple itself holds,

all are amplified hundreds of times over.

So let's collectively express our appreciation

for this magnificent and transcendent creation of Pure Crystalline Light.....

Take one more breath and fully open your "I AM Presence"

[3:45] **Joan: Master Kuthumi's Prayer:**

We'd like to start today's session off with Master Kuthumi's Prayer.
It's so appropriate for where we are
and where we have traveled in these magnificent Light Energies.

So take a deep breath, now, and let us begin: I AM LIGHT

I AM Light
Glowing Light, Radiating Light, Intensified Light.
God consumes my darkness, transmuting it into Light.

This day I Am a focus of the Central Sun.
Flowing through me is a Crystal River,
A living Fountain of Light that can never be qualified by human thought or feeling.

I Am an outpost of the Divine.
Such darkness as has used me is swallowed up
by the mighty River of Light which I Am.

I AM, I AM, I AM Light.
I Live, I Live, I Live in Light.
I Am Light's fullest Dimension; I Am Light's purest Intention.
I AM Light, Light, Light,
Flooding the World everywhere I move,
Blessing, strengthening, and conveying the Purpose of the Kingdom of Heaven.

I Am a Creator of Light, created in the Image and Similitude of my Source.
I AM a Creator of Light.
I AM a Creator of form within form.
