

Ascending Masters of Light    Level 2    Session #12C    09-17-2023  
Weaving the 10<sup>th</sup> Strand of DNA into the 5<sup>th</sup> Dimensional Body

**Joan:**

Let's be centered in our Sacred Heart Center.....

As we sit together in this magnificent Cosmic Crystalline Light Temple,  
let us upgrade the 10<sup>th</sup> Strand of DNA  
that was woven into your Light Body in the 2022 Light Conference.

Isn't it amazing what happened in those three days of that Conference! --  
Conceptually as well as energetically.  
And, we are just now being able to implement them and use them.

As you know, the Light Body now functions in the 7<sup>th</sup> Dimension.

The 10<sup>th</sup> Strand of DNA Mastery and its Consciousness  
can be made usable in this present time.  
But it must be woven into the Consciousness of your 5<sup>th</sup> Dimensional Body,  
so that you can recover the Memory Codes that are necessary  
for a continual evolvement of states of Consciousness  
while using a 5<sup>th</sup> Dimensional Body.

By drawing the activated 10<sup>th</sup> Strand of DNA from your Light Body  
into your 5<sup>th</sup> Dimensional physical body,  
it prevents any danger of burning up the circuitry of the 5<sup>th</sup> Dimensional body  
while using such states of Consciousness.

With your intention now,  
Draw the 10<sup>th</sup> Strand of DNA from your Light Body,  
that now functions as your Ka or Etheric body,  
and place it in your 5<sup>th</sup> Dimensional Body Energetic Field..... [Pause]

SIT QUIETLY FOR A MOMENT AS YOU INTEGRATE THIS ACTIVATION..... [Pause]
