

**Melainah – Introduction on Master Light Packet Imprint:**

Take another breath.....

As those Energetics are being integrated within your Field,  
I wish to talk to you about the Master Light Packet.

We also received the Imprint of the Master Light Packet in the 2022 Light Conference.

That Imprint is held within your Sacred Heart of your Light Body  
and also within your Spirit.

So just what is the Master Light Packet?

The Master Light Packet operates at Quantum levels.

We can consider it similar to a compressed file,  
but one that contains all seven activated and upgraded Light Packets.

This Master Light Packet is an essential part of your Spirit.

So, following the upcoming process,  
we will come back and provide you with a bit more information

And one more breath  
and prepare to receive this transmission from the Council of Twelve.....

**Joan -- Process to activate and place the Master Light Packet in the Soul Star  
and weave the activated DNA Strands into the Master Packet:**

[1:33] Greetings! We ARE the Council of Twelve.  
We are here to help you activate this magnificent Master Packet.

Place your attention on your Unified Field  
where brilliant Frequencies of Light are swirling coherently.  
Massive Frequencies of the 5<sup>th</sup>, 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> Dimensional Light Templates interweave  
with one another as your Unified Field spins within your Toroidal Field and is  
influenced by the brilliant and beautiful Light of your Primary Color & Sound Codes.

Feel your Light Frequencies start to be enhanced by this spinning Field of Light  
that is spinning at 170% Light now.  
Feel how this Light begins to penetrate the very core of you.  
Every Chakra and DNA Strand is filled with this dynamic Light Frequency.

Notice a viable Presence of your Soul-Spirit as it begins to communicate to you.

Together, as Collective Streams of Consciousness,  
draw the Imprint of the Master Light Packet  
from the Sacred Heart Center of your Light Body  
and place it in the fertile Vortex of your Soul Star.  
Immediately, the Master Packet Imprint begins to activate  
in the fullness that it was originally intended.  
The Voice of your Spirit now has an environment from which to speak and create.

Take a deep Breath.....

[Pause]

Be aware of the Light that streams from the Master Light Packet.  
Be aware of the unequaled Mastery of your Soul-Spirit.  
Notice the communication that is emanating from your Spirit  
as it radiates more Light.....  
Be present with your Soul-Spirit and take in this Memory Code.

[Pause.....]

[5:40] Now, let us complete this process  
by weaving the ten upgraded and activated DNA Strands  
and the seven Quantum Light Packets that contain them  
into the Master Light Packet.

Deep Breath..... present, alert, and fully aware of yourself in this moment.....

We currently have ten DNA Strands activated and upgraded.  
We will now weave the seven Light Packets and the ten DNA Strands  
into the activated Master Light Packet.

With your intention,  
Draw the 1<sup>st</sup> upgraded Light Packet that contains the 4<sup>th</sup> Strand of DNA  
and place it in the Master Packet.  
This DNA Strand stimulates your Christed Soul-Spirit Memory Codes  
and the Wisdom of your Soul.....  
Now, draw the 2<sup>nd</sup> upgraded Light Packet that contains the 5<sup>th</sup> Strand of DNA  
and place *it* into the Master Light Packet.....

Take a breath.....  
Draw forth the 3<sup>rd</sup> Light Packet that contains the 3<sup>rd</sup> and 6<sup>th</sup> Strands of DNA  
and place it into the Master Light Packet.....  
Next, draw the 4<sup>th</sup> Light Packet and the 7<sup>th</sup> Strand of DNA into the Master Light Packet....

Deep breath..... present.....  
Draw the 5<sup>th</sup> Light Packet and the 8<sup>th</sup> and 9<sup>th</sup> Strands into the Master Light Packet.....  
Now, draw the 6<sup>th</sup> Light Packet and the 9<sup>th</sup> Strand of DNA into the Master Packet.....  
Finally, Let us draw the 7<sup>th</sup> activated Light Packet and the 10<sup>th</sup> Strand of DNA  
into the Master Packet.....

All of the seven Light Packets are now transcendent and unequalled Packets of Light,  
because they are woven into the activated Master Packet.  
They have an Energetic resonance with your Ascension process  
that brings them into complete coherence with your original Mastery  
as it was created when your Spirit was first created.....

Take a deep breath...  
AS YOU ALLOW THESE ENERGETICS TO INTEGRATE..... [Pause]

Another breath..... Be alert and present in this moment.....

[12:18] We would like now to inform you about your ability to hold stably the state of 170% Light.

This would be an unrealistic expectation.

Every Member of the Council, including *you*, has created this state of Light as we gathered in the magnificent Cosmic Temple of Light. This Light Temple provides an environment to hold the 170% Light precisely. The 170% Light will be available to this Council anytime that we work together to create more major upgrades, as they are needed – this year and next year of your time.

We encourage all of our Human Members to continue to work with their individual Light Frequencies to bring them more stably into the 150% Light range.

In the near future, you will arrive at a state of Being where that state of Light Frequency is an integral part of who you are while operating in a Human 5<sup>th</sup> Dimensional Body for purpose and intention. So, you can see it will take a little bit more time to get that 150% Light range seated in your day-to-day life. But through your due diligence, it is very do-able, and we have no reservations about your ability to accomplish this.

Activation of the Master Light Packet and upgrades of the DNA Strands bring coherence and stability to your ability to maintain the Frequency of 150% Light. Your ability to maintain this Frequency of Light is required for you to move forward in your Ascension process. It will take the remainder of this year and part of next year to be able to maintain 150% Light consistently. So, don't push yourself, Beloveds – just practice daily. Hold that 150% Light for as long as you can; it will take care of itself. You will be amazed how you will move along fairly swiftly.

The next two sessions will add more Energetic foundations that will provide you with the ability to consistently hold a Frequency of 150% Light in your daily life. These Energetics will allow you to also transmit levels of Light to all Humanity and the World by just BEING that Frequency of Light.

Take a deep breath as this information settles into your Sacred Heart, your Light Body, and your entire Field of Energetics..... [Pause]

[18:38] **Melainah – Closing Statement:**

With the activation and the placement in your Soul Star of the Master Light Packet,  
with the weave of the seven Light Packets and ten Strands of DNA now drawn into it,  
you have just completed the next major step for your Ascension.  
This is an extremely significant activation.

So, with this Master Packet of Light now positioned in our Soul Star,  
it can be drawn from as our Consciousness grows.

By utilizing the 2<sup>nd</sup> Ray of Creation  
from our current 5<sup>th</sup>, 6<sup>th</sup>, & 7<sup>th</sup> Dimensional states of Consciousness,  
this will allow the Frequencies to be stepped up or down and to be held stably.  
It will also upgrade and increase the Frequency of our DNA Strands and Light Packets  
to more refined Quantum levels as we proceed.

In addition, with the influence of our personal 8<sup>th</sup> Dimensional Field of Light,  
which is also anchored in our Soul Star,  
this will continually allow access to ever higher Iterations  
as we proceed with the series.

And now that you have consciously placed and activated the Master Light Packet  
in your Soul Star,  
a new gateway opens that will provide you with deeper access  
to the purity of your Soul and your Spirit.

These past two years of Ascending Master of Light have brought  
your conscious access to your Soul  
to levels not achievable since we fell below the 8<sup>th</sup> Dimension.

This is a very important transmission  
and it will activate and release many more deeply held Memory Codes.  
Today's activation, along with the 8<sup>th</sup> Dimensional Light Template,  
the Light Codes and activations of the 8-8 Portal opening,  
and the magical and mystical Lyrans-Sirian Blessings,  
will take us many months to assimilate and integrate.

And as the integration occurs,  
you will begin to truly embody your Soul in unimaginable ways.  
In other words, you will begin to experience yourself  
as the full Essence of you as a Soul walking around in a human body.

So, take a breath.... Be present and aware.....  
And Blessings, Everyone!
