

Joan: Good Morning, Everyone. Welcome to our 2020 Light Conference. We are *delighted* to be with everyone today. And we welcome each and every one of you in this grand event that we have all been orchestrating for the last year. We would also like to welcome all members of our Crucible, all members of every Being present: every Archangel, every Ascended Master, every Lord of Light, all of the Elohim, the Sirians, the Pleiadians, the Arcturians, and the Andromeda Consortium, who are with us today in our Crucible. And we are honored to be a part of this Gathering at this time.

Melainah: And welcome to each and every one of YOU. And we will begin with our Greetings and presenting ourselves to all of these magnificent Beings who have gathered for this Conference.

[Each human member of this Gathering introduced themselves in turn as “I AM _____”]

Melainah:The Energetics are extremely high.

Joan: Well, if you haven't already felt them building in your space, especially when you created your sacred space and your altar, we are here to tell you, as a group we will be creating even more this weekend!

They have told us that they are really pushing us with these Energetics. And there's no way to separate any part of this particular series of Initiations and information that are being presented this weekend. So, it's quite a lot.

We will have no question and answer and no group discussion, because of the length of this. We will then meet October 20 for our Community Call and you'll get a reminder. And we will then have our group discussions and any questions that might have arisen, as you have begun to integrate these massive, massive Master downloads and Initiations.

So, if everyone would take a deep breath, now, and we will begin with an Opening Meditation orchestrated, of course, by our dearest member, Archangel Gabriel.

[13:33] Gabriel Opening Meditation:

Greetings, Beloveds, It is I, Gabriel.

I come to the forefront of this beautiful Crucible of Light, of which the membership is a most illustrious membership. And I am not only speaking of our Realms, of the non-physical members. But I am speaking to YOU, dear Masters of Light.

For you are the *most* important part of this event, and of this Crucible, because it is you, Dear Masters, that must hold this within your physical form.

So, we will begin this Conference, this meeting, in your Sacred Heart.....

Breathe in Love..... And exhale Light.....

Breathe in Light..... And exhale Love.....

Breathe in Love..... And exhale Light.....

Now, be in your Light Body, in its most illustrious expression.....

Feel the Mastery that you have acquired over all of the meetings
that we have met with you.....

You're confident..... alert..... present, physically as well as within your Light Body.....

We are all gathered together in Unity and within the Element of Love.

So as the unified expression of this membership of our Crucible,
we will now begin our series of meetings.
