

[57:45] **An Ra Ta:**

So now, I would like to lead you out of this sacred Temple [of Transparency].....  
And as you walk this beautiful Path of Light,  
it takes you to a precipice, where Lord Metatron greets you.  
And I will turn this conversation over to Lord Metatron.

Take a deep breath..... Be very present..... And conscious in your body.....  
And Greet Lord Metatron.

[58:43] **Lord Metatron:** WELCOME, Dear Beings of Light! It is I, Metatron.

I am with you, now, as the Overseer of all Creative Realms, to lead you in your SoulSpirit, in your Light Body, into an experience of the Quantum Field.....

Come with me now and be fully present in the Quantum Field.

This Field is a massive, creative Field of Light, Sound, Color.  
It is a creative resource that has *no* limitations.

So this entire Conference and all further retrievals and all further processes will be taken within the Energetics of this Quantum Field. The other activations *require* the Light frequency and the higher vibration that is within this Field, this Energetic, creative Field.

There's no limit on Dimensional sequences or time that you can experience within this Quantum Field.....

So, take a deep breath and FEEL the magnificent Power in this Field...  
Feel the Light.....  
See the various emanations... of Color...  
Hear the Sounds.....

It is within this Field... that you hear Sounds that you have not heard and see Colors that you have not seen.....

See Geometries... magnificent Geometries of Light... that assist you to bring into form your manifestations, your creativeness.

And this creativeness is precipitated through the Guidance of your SoulSpirit that is constantly receiving from that 6<sup>th</sup> Dimensional Light Template as well as the 7<sup>th</sup>.

[62:08] So let us sit together in this magnificent, magnificent space of creativity...  
And just allow yourself to get acquainted with this space.....

[Long Pause]

[67:19] Be very present in this moment.....

Be very conscious in your Light Body, receiving all imprints, all experiences in this  
present moment.....

[Pause]

Take a deep breath.....

Now follow me and we will exit this beautiful Quantum Field... and I will lead you to the  
docking stations, to where you will enter your Merkaba Vehicle.....

From here, you will return to Earth and to the present moment, in the room in which  
you began this Journey.....

[Travel Pause]

Take another deep and feel yourself in your body now.....

See your Presence in the room.....

Welcome back!.....

[70:22] So this completes this morning's session. We would suggest to you that you sit  
here for a while and re-acustom yourself to Planet Earth and that body of yours. Just  
sit quietly and absorb for a few more minutes... in your own private space, in your own  
private time.

And we will adjourn this meeting. We will close this session together and break for  
lunch. After you sit for a while in your space, provide some nourishment for your body.  
It has gone through a lot of experiences this morning. And this will also help ground  
you, in anticipation of our next Journey together.

So we will reconvene in two hours time..... at 1:30 CDT. Please be on time, so that we  
can start promptly on our next Journey together.

Thank you all for participating with us this morning.  
Blessings!
