

**Melainah:**

Welcome back, everyone. Settle back in... become comfortable...  
And prepare for the next segment.....

Take a deep breath.... find your Center.....  
Be aware of yourself in our expanded Crucible.....

Feel the increase in the vibratory field with the transmission of the Etheric Crystal  
to your Light Body and your Merkaba Light Vehicle.....  
Be sure your Merkaba is back up to that 130%.....  
Be in your Sacred Heart, which is also expanding.....

**Prepare now to leap further in the Quantum Field:**

From this Quantum Field, see yourself now at the Convergence Point  
of no time/no space/no dimensions in Hawaii.....  
As you arrive, you see our Crucible and the Diamond-shaped configuration  
glowing with radiant Light.....

The Four beautiful Archangels are there –  
Archangel Michael, Archangel Uriel, Archangel Raphaelle, and Archangel Gabriel –  
are at their positions.... in our Pink Diamond Configuration...  
Also there are the 12<sup>th</sup> Dimensional Representatives of the Elemental Kingdoms...  
Anna, Mother Mary, and the Magdalene are also there with Yeshua.....

Now joining in the Pink Diamond Configuration are four new Beings of Light  
from the Star Systems we have been working with over these past years.  
These beautiful Beings will be taking a more active role,  
as we move forward into next year.....

Please welcome each one as they take their position in our Diamond Configuration:  
Please welcome Archangel An Ra Ta from Sirius.....  
Please welcome Archangel ToA Ma from the Pleiades.....  
Please welcome Archangel Sar Ra Zon from Arcturius.....  
And from Andromeda, please welcome the Light Being known as Mei Q.....  
[pronounced May Q]

Take a breath.....

Stepping forward, please welcome the Magdalene and Yeshua:

[37:37] **Ma'riAm:** [through Melainah] [accent on final syllable "Am"]

It is I, Ma'riAm, the Magdalena.

Yeshua and I are honored to be with you again today.

Before we begin our new Journey together, please allow me a moment to speak to each of you of the Journey we took together 2000 years ago.

So many of you walked that path with us those many eons ago. Some of you were with us in the very beginning and through the crucifixion and helped us so much afterwards. You gave us shelter and food and clothing when we went into hiding. Several of you used your influence to assist us in traveling undetected to Ephesus and later to Southern France.

Some of you worked with us from the non-physical Realms. You were there in the formulation of a design, of a plan. Some of you assisted in keeping the veils of reverent remembrance open to us, as the energies became even more dense.

You are not only our dearest and closest family and friends. Each of you is a Master in and of yourselves. Having been through the mystery schools, you knew exactly who you were. And you embraced the role that you were asked to play in that grand design that all of us brought forth 2000 years ago.

Yeshua and I may not have had the opportunity to thank you personally for helping us at that time. We stand before you today, united, and say "Thank you, thank you, thank you, Dearest Ones!"

Now, here we are, together once again, to complete that which we were not able to, so long ago.

Now that you have retrieved and received the beautiful, Light-encoded Unity Template from the Time Lock yesterday AND THE LIGHT ACTIVATION YOU JUST RECEIVED, you are ready for the next Journey. Yeshua and I are honored to not only be your Guides today, assisting in this process, but to also support and witness what is about to occur for each of you in your next steps for your Ascension.

I WILL BE THE SPOKESPERSON TODAY. YESHUA, ALONG WITH THE BEAUTIFUL ONES WHO ARE IN THIS DIAMOND CONFIGURATION, WILL BE HOLDING MANY PASSAGEWAYS OPEN FOR US.

[41:30] So, take a deep breath, and exhale slowly.....  
One more time... deep breath in... exhale slowly.....

Yeshua and I now invite you to join us and follow us into the Center of this Diamond Configuration.

Initially, you will pass through the beautiful Magenta Force Field.....  
Once through the entry, you will be bathed in brilliant Platinum Rays of Light  
that are now infusing the Magenta Color Codes...  
elevating the frequency to higher and higher levels...  
As you stand in these Rays of Color and Light,  
anything not conducive to this Journey will be transmuted.....

Follow Yeshua and I as we move further and further into the Quantum Field.....  
As you look ahead, you will see an almost indescribably beautiful rainbow arch.....  
And as we move closer, you realize that it is actually a long circular corridor  
of the most amazing Colors that you have ever seen....  
Enter into the canopy of the pulsating Colors.....

Without thinking about it, which Color is summoning you?  
Go now to that Color.....

Each Color contains its own Light Codes, but also each has its own Harmonic...  
Allow the Harmonic of that Color frequency to move throughout *all* of your bodies...  
throughout the entire Unified Field of Light that is you.....  
Let it merge with you so completely that you *become* that Color frequency  
and that specific Harmonic.....  
Continue the merging until you are only that..... [Pause]

With that merging complete, let's go deeper and deeper into the Corridor of Color.....  
Let's exit the Corridor....  
And we have now entered an 8<sup>th</sup> Dimensional time sequence.....  
Now, move through the sequence to the edge  
to where the 9<sup>th</sup> Dimensional time sequence begins.....

Take a deep breath..... Stay conscious with us.....

This frequency is unlike any you've experienced in a human body.  
Yeshua and I are here next to you, holding this space open...  
Connect to my Voice.....  
Take a couple of deep breaths, as you acclimate to these frequencies.....  
In the distant, distant past, you visited this place.....

[50:33] Follow us inside to what appears to be a massive cavern.

It is actually an ancient Temple.....

Before you lies many Pathways...

Let yourself be drawn to the Path that is lighting up for YOU individually.....

And as you follow this Path,

at the end of it, you enter a small crystalline-filled Grotto.....

This Grotto is specific to you.

Feel the frequencies from the crystalline walls as they pulse.....

Continue to take breaths,

absorbing the magnificence of this environment as you continue to acclimate.....

There is much happening in your Light Body and your entire Unified Field.....

Let's continue... Go further into your Grotto...

You will come upon a door...

Stand in front of the door...

And on the door is your Name.....

Reach out and touch your name.

As you do, your Name *ignites* into flames and transforms into Fire Letters.....

Now touch it again.

Watch as the Fire Letters again transform...

It has now turned into an ancient symbol.

This symbol represents YOUR Energetic Sound Signature

that you are known by in all of the Master Realms throughout the Universe.....

When you were back in the Rainbow Corridor

and you were led to the Color Code that called you,  
that was not random.

The Color and the Harmonic it held were specific to you

and known to you at that SoulSpirit level.....

If you will look down, there is a Key around your neck.

And as you can see, it is no ordinary Key.

Remove it from your neck and hold it in the palms of both of your open hands.

This Key is made of a clear crystalline type of material.....

This Key will open the door in front of you...

You, and you only, have the required Code for your Vault...

[58:17] As you hold the Key, announce with your Voice,  
which now contains your Color and Harmonic signature:  
Speak your Name and that YOU have returned.....

With that, your Key will activate with Colors of Light moving through it...  
It will stop when it recognizes your specific Color Code and Signature Vibration.....

Now that that has happened, a crystalline lock will appear on the door,  
which will also match the same Color Code...

Insert the Key into the lock and open the door.  
As you do, you will see a radiant Light.....

You have just opened the door to your personal Time Lock.  
This Time Lock holds your sacred 12<sup>th</sup> Dimensional original Blueprint...  
Retrieve you Blueprint and re-claim it now for *all* time.....

We will remain here for a short time in this beautiful space,  
so you can sit and begin to absorb some of the amazing Light Codes  
contained in your original Blueprint.....

[5 minute Pause]

[65:15] Now Dear Ones,  
It is time for us to leave this beautiful Grotto and this Dimensional time sequence  
and continue on.....

Take a breath.....

The remainder of this Journey is for you alone.

Yeshua and I will wait for you at the Rainbow Corridor.  
You will only hear our Voices whispering to you.  
You now possess *everything* that you need.

As you leave this 9<sup>th</sup> Dimensional frequency,  
you will travel Light Years, and beyond, into an ocean of endless Darkness,  
on a Pathway known to only the absolute Essence of YOU.....  
Allow yourself to Journey on the Sound waves of the Color Coding  
and the Harmonic that is now you.  
You will Journey past many Realms, past the Realms of the Archangels,  
the Ascended Masters, the Creator Gods, and all you have ever known.....

[67:50] You are entering the Void.....

going deeper and deeper... into the Void, beyond the Void, beyond the Void,  
beyond countless Voids.....

Allow yourself to just BE.....

Suspend *all* rational thought...

Be securely in this moment of discovery,  
with no preconceived ideas, ideals, or beliefs.....

Return to the Innocence of you.....

There is no thought, nothing to do.....

The Sound currents will continue to deliver our words to you in the *deep* Silence.....

Rest, breathe softly.....

You are held in the embrace of the Silence and the Darkness.....

You are in the Nothingness.....

Float in the Nothingness.....

This is the Nothingness of the Cosmic Womb,  
where all is created and birthed.....

You have returned to where the first spark of your Spirit came into Being.....

Remember..... [whispered]

Remember when that spark of Light ignited and created your Soul.....

Remember the Call of the Infinite Presence as it sang Life into your Soul....

Hear it again now.....

This Great Presence with its breath gave you its greatest Gift..... The Gift of Love.....  
by blowing its Sacred Breath into your Soul.....

Your Soul is the purest Essence of Creation itself.....

As you begin to have awareness and remembrance,

you understand that you are in the Realm of the Prime Creator.....

You soon realize that this Nothingness is also the Everything.....

With the Breath of its Eternal Love,

Source Creator also imprinted your Soul with one, singular Prime Directive...

It is time for you to remember what your Prime Directive is.

It can be known to you in usually five or six words...

Listen carefully now, as you hear it again and *remember*..... [Long Pause]

[17:23] What did the Creator of All There Is imprint upon YOUR Soul?.....

This Imprint has been your Prime Directive in every incarnation, every mission and assignment that you have ever accepted, in every Universe, Star System, every Galaxy, in every time sequence since your Soul was given the Breath of Life.....

Receive this Remembrance at its fullest.....

You rarely return to this place.... to the Prime Creator, to this point of Origin.....

It usually only occurs at the end of a very long cycle,

then in preparation for a new Birthing or major transition.....

Allow this Gift of remembrance to be a reset or a rebirth

to usher YOU into what is next for your Soul Journey.....

Take a few moments to be here... conscious, embodied.....

Be at Onement with this Grand Presence of the Source of who you are, have been,

and ever will be..... [Pause]

You must begin your Journey back now...

Remember, this is your unique Pathway, known only to the Essence of who you are.....

As you travel back to the Rainbow Corridor,

you may see glimmers of some of your past Selves.

You may only see Darkness, until you near the Rainbow Corridor of Light.

Let it be whatever it is without judgment.....

When you return to the Rainbow Corridor, stop --

and allow your Harmonic that you discovered earlier

to now amplify throughout your entireness.....

You possess so much more of you than when you began this Journey.....

Remaining in the embrace of this frequency,

return with Yeshua and I to the Center of the Diamond Configuration.....

Sit here with us, Dear Ones, in your true authentic Magnificence,

in the Silence for four or five minutes,

as these communication channels are open and opening to all aspects of YOU.....

[Pause]

Now, Dear Ones, let's return to your Sacred Space and be present in your body.

Yeshua and I will remain close to you and will be with you during the night,

as you acclimate all of the Energetics you have received so far today and yesterday.

You are now complete.

And so it is... So you are..... Blessings!
