

Yeshua: So now, I would like to proceed, now that I have given you some information that will help you greatly in the next months and few years of your time.

We would like to start now and activate that Light Iteration of your Light Body and bring it into its fuller function, whole and complete. We are already joined together in that Quantum Field that offers opportunities for access to many Dimensions. So as you join with me, I gift and present to you what I have attained over the course of several years, 2000 years ago, after the Crucifixion.

So I now present to you, that Iteration of Light Body that I planted in the physical realm in the human form. I now present that to you and unify your Light Body once and for all.

RECEIVE IT NOW..... whole and complete...

Feel it vibrating in your Sacred Heart...

throughout your chakra system...

the chakra system not only of your body, but your Light Body...

It is in your Unified Field.

It is affecting the Electro-Magnetic currents within and around your body, bringing them fully into Equilibrium, Balance, and Unity.

And, because you hold it in your body, it affects the Electro-Magnetic Field of the Earth.

And today we will be gifting that to the Earth, so that the proper environment is established in the Earth of its original state and in the Fields of all human Iterations.

So, as you receive it, feel the difference in your Light Body.... feel the difference...

The Light Body is calm, in full balance, having those 12th Dimensional Imprints of the Elemental Community fully accessible, having the Light, that magnificent Undifferentiated Light of Source, flowing continually in and through every part of the Light Body....

And from there, you have the ability to model in your Etheric Body all of those frequencies into the physicality, changing it at a cellular level.

With this activation of the Light Body, the Etheric Body is changed. And it becomes what the Eastern Doctrines talk about as the Ka Body. But it is, in fact, that Etheric Body becomes the Light Body. And because you have received it in your physical body energetically, it will be an easy transition for you over the next three to five years.

[5:23] Have no expectations, Beloveds. But just gradually receive...
And know that soon your body will be fully anchored, because of this Light Body in taking the place of your Etheric Body. You will be fully capable of operating in a 5th Dimensional physical body.

The Energetics will be entirely different. The physical look of the body will be the same.

And, as you walk the Earth, from this day forward, you transmit it continually, every interaction you have, every place you walk. You need do nothing but BE the Christed Vehicle that you are.

It was such an honor to be able to present this final Imprint of Light to you at this time. Although time has no meaning in my Realm, Humanity has waited a very long time. And I am in great Gratitude to the All That Is to be with you now, sharing that Initiation...

So, now I would like you to sit with me, together, in the full Iteration of Light Body, as I reflect it to you from the Quantum Field.

So let us sit together in the Radiance of our Light Body..... [Long Pause]

Take a deep breath...

FEEL the Unity of us together, Heart to Heart, Soul to Soul, Spirit to Spirit,
unified in our Light Body,
the full and grand expression of our individual Christed Self..... [Pause]

Have no expectations, Beloveds...

as I step back and allow you to integrate your own individual Light Body.
Be gentle with yourself and allow this integration to proceed
with Ease, Equilibrium, in the fullness that it is intended.....

Whether it take three years, four years, five years is of no consequence. Time as you know it does not exist in this Field. So each of you, as you have received it, will assimilate it fully, integrate it in your energetic field, as it is intended. No two are alike.

Never, ever, ever compare yourself to another, for you are unique unto yourself as SoulSpirit intended..... [Pause]

In great Love – Blessings!

Joan: Take a deep breath.... Do not move out of this space, but hear my Voice.
We will take a ten minute recess to nurture each one of you, yourself.
Be complete in what you have received at this moment, before we move on.
