

**Joan:** Good Afternoon. Welcome back!

**Melainah:** Welcome back. Hope you had a nice break and you're ready for our final session.

**Joan:** Well, I can't believe it's almost finished. It just seemed to be a flash.

So, in this portion I would like to talk to you about those Imprints brought in through that 12<sup>th</sup> Dimensional Elemental Kingdom. It's a template of sorts.

Because we are simultaneously in the midst of a service project as well as a Teaching and an Initiation process, I think it's important that we consciously bring those 12<sup>th</sup> Dimensional Elemental Imprints down through our body into the Earth and to the Inner Earth Communities. So that's what this portion is.

Now that we have received all these massive openings and Initiations, we're going to share it. And I think that's important to all of us, to be able to share what we have received and what we have learned. But of course, as we've been talking about earlier, it's not so much in talking about it or telling people about it, it's about actually BEING it.

But this is a little different. We are going to draw those Energetics into our body, that stream from that Quantum Field into our bodies, into that Electro-Magnetic Field, that new Electro-Magnetic Field of our body.

So, if you will take a deep breath....  
And get centered....  
And let's work this together.....

So let's draw those 12<sup>th</sup> Dimensional Elemental Imprints from the Quantum Field,  
where we sit in our Light Body.  
And bring it into our physical body,  
through our Light Body,  
into the physical body...

And we'll begin to draw those Imprints down through our Crown Center,  
into the brain...  
and into the Pineal...  
the Medulla Oblongata....  
most importantly – in through that 3<sup>rd</sup> Eye and the Eye of Horus.....

[3:28] **Joan, cont'd:** Notice how easily they're slipping in!.....

Down that Center Channel of the body.....

Into the Throat Chakra.....

So you speak from your Heart;

You speak from your Knowing in Truth and Integrity.

And down into the Sacred Heart Center,

where those Imprints are kept in the body.....

And into your Heart.....

where you hold such a vast Element of Love for Self and for others.....

And then down into your Power Center,

It's filled with that Golden Light, Christed Light,  
empowering you in your creations.

That Imprint slides into that 3<sup>rd</sup> Chakra.....

And then down into your 2<sup>nd</sup> Chakra,

where your emotions emanate into the body, into the expression of the body.

That 12<sup>th</sup> Dimensional Template of Elements.....

And into the Root Chakra.....

Now that 12<sup>th</sup> Dimensional Imprint of the Elements is very important to these three chakras, because they're how you operate in life in a body and how you experience Life in a body. And we have done a lot of work creating Unity and flow within those chakras.

Now, let's create a fresh Grounding Cord into the Earth.

And stream those 12<sup>th</sup> Dimensional Elements into the Earth.

sharing it with all humans,

sharing it with the Earth and all of the Elements that are working within the Earth,  
in a more 5<sup>th</sup> Dimensional creation of Earth.

So, with this Imprint, the Elements in this time-space sequence are uplifted into another Dimensional reality. And as they receive this Imprint, they will very gradually do their part to change the environment of Earth in its rightful sequence.

[8:22] **Joan, cont'd:** So, now that we've shared it to the Elementals in the Earth, do one more thing.

Very rarely do we have the occasion where we have the Guidance to do this. But now, we do take these Imprints through our body and share them, not imprint them, but share them in the Christed Matrix of the Earth!..... [Pause]

Now, we have one more place to share and that is our dear friends in the Inner Earth Communities. And this last piece, sharing in the Christed Matrix in the Center of the Earth -- it was a very important thing that they have to draw from that Matrix. And that's for these Inner Earth Communities.

So now, let us gift it to the Telosians...

with Love and Gratitude for holding stably 5<sup>th</sup> Dimension for us.

They modeled it for a long time. And now, as we are receiving and integrating, we can model back to them not just 5<sup>th</sup> Dimension, but 6<sup>th</sup> and 7<sup>th</sup>, and possibly 8<sup>th</sup>.

So they need these Imprints of the Elementals

and we lovingly gift it to them now..... [Pause]

Next we gift it to the Lemurian Community...

And they are much appreciative.

We lovingly give it to the Lemurians,

who still dwell on Earth, but within the Inner Earth..... [Pause]

Now, let us share with the Andara Community...

represented by the Andara Crystals,

the Andara Element that is within the fabric of Earth, itself...

And we lovingly gift it to them...

They hold the Prima Matra within the Earth..... [Pause]

And, finally, our dear Luminary Community....

that have been modeling to us all Dimensional sequences,

vibrating that deep within the Earth, until we could receive it for ourselves.

And so it is through the reception of these 12<sup>th</sup> Dimensional Elemental Imprints that...

It's not that this Community needs it,

but we are showing them we are progressing and are on our way.

And we gift it to them, so that however they want to express it to help us further, as we draw from that vast Collective Consciousness, that they will use this Imprint to help us and help other parts of the Inner Community rise up and reawaken fully to our original state as Divine Light Beings..... [Pause]

[14:56] **Joan, cont'd:**

In Gratitude to *all* of these Inner Communities, we extend our Love and appreciation.  
In Love to the Communities of the Elementals,  
    operating in various Dimensional sequences,  
    we extend our Gratitude.

And in Love with Mother Earth, we extend our Gratitude..... [Pause]

So, now, take a deep breath...  
Bring yourself back to this present moment.....  
And let's continue!
