

[4:15] **Joan:** If everyone would take a deep breath, I'd like to have Archangel Gabriel lead us in a centering meditation, so that we are all centered.

So, if you'll take a deep breath... and get centered in your Sacred Heart Center.
Let go of all the thoughts of the day... And be very present in this moment.....

Gabriel: Greetings, Beloveds, It is I, Gabriel.
I do not come as just an Archangel. I come as an Archangel of Light, but a member of the Angelic Realm who has specific purposes.

I want you to know that this Conference is like no other Conference that we have created with you.

So, with that said... Take a deep breath... And open yourself...
Be in your Light Body, in that beautiful Light Body...
Activate your Merkaba Field...
And enter the Merkaba Vehicle of Light.. in your Light Body.....

Now, one by one, file into the Crucible...
All the Beings are waiting for your arrival,
for you are the most important part of this Conference.
You are the beautiful Beings of Light who are in physical bodies.
You are doing something that no one else can do, only you...
Because you have a physical body
And you have been very gracious to volunteer for this duty –
to hold these Light Templates and the Element of Love stably
within your physical body and within your Consciousness.
And for this, the entire Realm of Source is grateful, because it is you
who will lead others into the resurrection of their state of Being as a Christed Being.

So, as you enter this Crucible sacred space with us..
Each member of the nonphysical part of this Community greets you:
the Archangelics...
the Ascended Masters...
the Sirian Consortium...
the Pleadians...
the Arcturians...
the Lords of Light...
and the Elohim.

And this year, taking a substantial place in our Crucible, is the Andromeda Collective...

So, let us all sit in Communion, joined in the beautiful Christed Light together,
united, and filled with the Love of Source..... [Short Pause]

Take a deep breath and let us begin our meeting.
