A Graduation Ceremony will be created and given to the entire Human Collective of Seating of The Divine Image. This Rite of Passage will be in recognition of the auspicious service that was given by many devoted Spirits who took on a human embodiment in a sector of a Universe that was in a dense and unconscious state. These great SoulSpirits took on a human form to contribute to the raising of human consciousness as well as to assist in the raising of a Christed Planet.

The name and accomplishment of each member of Seating of the Divine Image will be registered in the Universal Hall of Records in recognition of this service. Their names and service will also be registered in the Akashic Records for eternity.

Let it be known to all the Creative Realms of Source that this outstanding achievement award is hereby recognized and documented for eternity. All will know and be able to identify these auspicious Beings for their contribution.
