

Greetings, Beloveds, It is I, Gabriel.

This is a time like no other in this process of transformation and Ascension. And I am, as the spokesperson for ALL of the Archangels, to tell you how much in gratitude we are for your co-creation with us in these past few years of your time.

So, if you would take a deep breath now,

And get centered in your Sacred Heart.....

Also, be very aware of your Heart chakra... and the Love that is there --

the Love of Self, the Love of you as that individual Divine Creation.....

Notice how brilliant that chakra is... in the Presence of that 1st Light Packet that was placed there a while ago.

It is brilliantly shining, infusing Love into that chakra.....

Notice your feeling, notice your emotion at this moment...

for Self, for what Source created when He created your SoulSpirit...

Notice how you feel about You.....

Now direct your attention into your Sacred Heart Center

and the Consciousness and the Wisdom that is there.....

Also, remember that that Sacred Heart Center is in the center of your Light Body...

See yourself in that Light Body.....

Notice how luminous you ARE in the Light Body,

how calm and harmonious you ARE.....

Now, be in your Merkaba Field, your Merkaba Vehicle, in your Light Body...

navigating in no time/no space,

present, totally present and conscious.....

This is the space that you will navigate in, in this final session of 2019.

There is no time/no space, no limitation,

Just a beautiful expression of your Light as the individual in your Crucible of Light, with all of the Beings that are present:

We Archangels, The Ascended Masters, The Lords of Light, The Elohim,

The Arcturians, the Sirians, the Pleiadians,

The Inner Earth Communities,

And most importantly – You, as the human representatives.....

Now, take a deep breath, be very present, and very conscious.....

And we will begin our Session.....
