

As you sit in your Light Body, recognize the brilliance of the Light
streaming through all the vortices of that Light Body.....

See yourself seated in the Sacred Heart Consciousness of your Light Body.
surrounded by the brilliance of Source Light.
This Light has no Dimension, but is pure Source Energy,
streaming into that Sacred Heart of your Light Body.....

In this space, you recognize yourself as Divine.....
beautiful, Divine Iteration...
unique individuals... of Christ Consciousness.....

In this space, there is no time, there is no space...
only the Purity of the Element of Love
and the pure expression of that Love in You.....

We now close the Teachings of 2019...
and lead you forth into a Celebration of Love and Unity.

And then we direct you into a time of Quiet reflection.

Begin this reflection in this state of Light Body
in this Sacred Heart Consciousness
as pure Divine Light.....

Blessings, Dear Ones, Blessings!
