

Note from John: The subject of the July 23 Community Call with Master Kuthumi will be the closing of the first two strands of DNA, our physical genetic lineage.

[1:41] Gabriel:

Greetings, Beloved, It is I, Gabriel.

I am delighted to be with you this evening, gathered in our beautiful Crucible of Light.

So, if you will take a deep breath.....

And let go of the thoughts and events of the day.....

Be very present in this moment.....

And with the next breath, be centered in your Sacred Heart space,
within the Element of Love.....

Now, in this space, this 5th Dimensional space,
breathing in Love,
being fully aware of the Elements that make up your physicality,
and the Element of Love that makes up your Soul/Spirit Consciousness.....

Direct your attention to your Merkaba Field.....
commanding it to activate at that 5th Dimensional frequency range,
spinning, and spinning, and spinning.....

Creating, as it spins, a dynamic Presence of the Holy Spirit,
the creative Source that you draw from in that 5th Dimensional state of
consciousness.....

In this energetic arena begin to seat yourself within the Crucible, the Collective Crucible,
with all who have gathered,
each of you individually, as humans, in that 5th Dimensional State of Consciousness,
in an energetic field of massive, dynamic Christ Consciousness.

And as you seat yourself one by one,
Notice all that have gathered with you in our Crucible:
the many Archangels,
the Ascended Masters,
the Lords of Light,
the Elohim,
the Arcturians,
the Pleiadian Consortium,
the Sirians,
the Sirian Archangelic League.....

Feel the Presence of the Source of your Being within this Crucible.....

Another deep breath.....

Now, be very present and aware as we begin this Community Gathering.....
