

Greetings, Beloveds, it is I, Gabriel, the Archangel of Light.  
I am with you this evening, as are all of the Archangelic Community,  
to be part of this auspicious Gathering.

So, if you would take a deep breath now...

And begin to relax, letting go of the thoughts and events of today.....  
And be present in the very present moment.....

Be in your Light Body.....

And recognize that you are wearing a beautiful Light Garment  
emblazoned with the Sacred Name of Source: the YOD HEH VAV HEH  
It is a beautiful, luminous Light Garment.....

Also notice within your Energetic Body that those beautiful Letters are imprinted  
in your spinal column, in your central column of your body.  
They are a luminous, Golden hue...

You are marked for Eternity, Beloveds, as a Christed Being.....

Feel this new issue of you...

in your body,  
and in ALL of your bodies.....

Now – One by one file into the Crucible.

There are many waiting for you:

The Elohim  
The Lords of Light  
The Archangelics  
The Ascended Masters  
The Arcturians  
The Pleiadians  
The Sirians.....

There is an Andromeda Energy that is also present.....

Take your seat.....

Feel how comfortable this space is for you.....

Feel your Sacred Heart open wide, in great Love...

for all members of this Community, of this Crucible...

Feel the Love that is being given to you...

And return it in full.....

Now, take a deep breath... Be very present in this moment... And let us begin.
